### NEW WORSHIP SERIES

Crown of Life's current worship series, "Define: Christian," concludes with this weekend's services. We will begin a new series next weekend, called, "The Church that God Wants."

"I want a church that..." How would you complete that statement? Would you focus on size—big or small? Would you think more about style—formal versus laid back? Is it certain desired church programs that come to mind? What exactly do you want in a church?

In this new five-week worship series, we see that that is not the right question. Scripture says Jesus bought the Church with his blood. So then, the right question is: What does *God* want in a church? You might find a church that runs all the youth programs you want or has a vibe that you enjoy or is in your ideal location. But if that church is not doing what Christ wants it do, then it really is not a spiritually healthy place to be. So, let us think about the church *God* wants. What does it look like? What are its priorities? What does it all do?

Our worship series use the regularly appointed Bible readings for each week (see the front of the hymnal for lists of the weekly worship readings) but organize them into series with weekly themes to help make this "generic" season of the church year easier to follow. We pray that this approach has been a blessing to you!
