### **Hot Lunch Server Needed**

Our Thursday hot lunch server is no longer able to help out starting in January. Is there anyone who would like to volunteer to take her place? It involves about an hour a week (11:30 a.m. to 12:30 p.m.) to set out the already prepared food, serve it, and then clean up afterwards. It's a great way to meet and interact with the students. You could volunteer weekly or monthly, whatever works with your schedule. Please contact Mrs. Schaezner if you are interested.

## 5K-First Grade News

We have a busy week ahead of us as we put the finishing touches on our Christmas service. We have three final practices this week in the church. The children are working hard on their parts and songs. I know you will be as proud of them as I am when you hear them in church.

On Sunday the children will meet in our classroom before the service. They will stay as a class in front of the church during the service. Between services there will be a breakfast served. After the second service, you may pick up your child or children in the Timothy Room.

## Second-Third Grade News

This week we will be putting the finishing touches on our Christmas service for Sunday. We are also excited to be singing for the final Advent service on Wednesday.

Also, a note was sent home over a week ago about our Christmas gift exchange, but I found a couple of copies floating around the classroom. In case your copy went missing, boys will be bringing a gift for a boy and girls for a girl. Gifts should be in the \$8-10 range and should just be labeled as to a boy or to a girl. We will be playing a game to distribute gifts during our party next Friday, December 23.

## Fourth Grade News

Classes this week continue to be arranged around Christmas practices. In Bible study, the students are studying Jesus' Transfiguration and Peter's Confession of faith. In writing class, the students are writing their own fantasy story. This story will be taken through all the steps of editing and revising before getting "published." This week will also be the last spelling test before Christmas. The test will be on Friday.

The classroom Christmas party for December 23 is being planned and many thanks go out to the parents putting in time and effort to help with this. Just a reminder that the classroom will again be doing a girl/boy gift exchange. The girls are to bring a gift for another girl, and the boys bring a gift for a boy. On the 23rd, a game will be played determining who receives which gift in their group. The cost for this gift should be between \$8-\$10.

## Fifth-Sixth Grade News

Full week ahead as we are getting closer to Christmas Break. We have our last Spelling Test this Friday. We will also have a test in Science on Friday about the Earth-Moon System. In Christ Light we take a look at the story of the Transfiguration. Don't forget that our Children's Christmas service is this Sunday at 8:00 a.m. and 10:30 a.m. Finally, if you are interested in helping out with the Christmas party on December 23 starting at 10:00 a.m., please let me know by email and I will get a group together for those who wish to help. Thank you in advance! Have a great week!

## Seventh-Eighth Grade News

This week, we continued our studies in polynomials. We studied healthy life choices in Science. We made snowflakes, did doodles and oodles of writing, and reading buddies with Mrs. Wierschem. We continued working on our Christmas service, and we finally finished our Christ Light book. Mrs. Schmidt has continued teaching us monomials. Last week's interviewee also continued the Christmas Service. Speaking of interviewees...

This week's interviewee is Kaylee Bennet, in eighth grade. She enjoys cheer and hanging out with her friends. She is thirteen years old, and is on the COL cheer team. We interviewed her because two weeks ago, she performed at the KML forensics competition. She finished in second place after presenting on Cheer.
