Second-Third Grade News

This week Second and Third Grade are going to start working with some of the Google apps that our Chromebooks can use. We've been practicing typing so now we will be typing a story and creating a slideshow. These projects will last us a few weeks as we learn about different ways to use these programs.

We have been doing our Silent Reading with any book or books we choose. We will be picking chapter books to read this week. Once we finish them, students will write a review to share with the class.

Fourth Grade News

This week the students are studying more parables from Jesus, the Master Teacher. These earthly stories with a heavenly meaning should be shared and discussed at home. Make sure to ask your child about them. Memory treasures for the week include Ephesians 2:8-9 for Tuesday, Hymn 713:1 for Wednesday, and Matthew 6:33 and the 1st Commandment for Friday.

In writing, the students need to finish typing their first draft, get them edited and revised, and then complete the final draft. The due date for this is Friday. Grammar class is going into pattern 2 sentences with direct objects, and math is starting a chapter on factors and multiples. This will lead to fractions.

On Friday, the 4th graders are heading to Serenity Villa, leaving school at 1:00 p.m. and returning by 2:45 p.m. Thank you to the many families who volunteered to drive. There were more than needed so here are the drivers for this time: Boggs, Boldt, Jordan, Lemke, Mulcahy, and Nirschl. Thank you again!

Fifth-Sixth Grade News

Another full week ahead! Last week in Catechism we finished up our discussion on the 3rd Article. In Section 4, we will start discussing the 10 Commandments and the meanings behind them. In Science this week we have our Chapter 6 Test, which will be based on the quizzes and worksheets the

students had made for their presentations. Lastly, in Art, students will finish up their Pointillism picture that we had started last week Friday. Have a great week!

Seventh-Eighth Grade News

After a longer-than-anticipated winter break, we're back at school and the third quarter has just begun. We have a Catechism test on Tuesday, are studying slope in math, started pattern three in English, and a new science book discussing weather and climate. Poetry is the focus for the month in writing, speech, art, and reading it to our kindergarten and first-grade buddies. In Phy Ed, we've been continuing the unit on basketball and are going to start playing games.

Speaking of basketball, welcome to Colt country and play games in our new gym. Some people are cheerleading and others are helping at the concession stand. Micah is the only boy playing basketball in our class but Jayden and Kaitlyn are playing with the Junior Charger program. Kaitlyn loves basketball and lacrosse. This is Kaitlyn's first full year here and she loves it as well as she loves her three dogs. Jayden has attended Crown her whole life and besides playing basketball, she also runs cross country. Jayden has 54 chickens, nine cows, a dog, a rabbit, and a fish. Both girls will be competing in the hotshot challenge at Kettle later this month. Come and cheer them on!
