

# **THE COLTS CHRONICLE**

## **Crown of Life Lutheran School**

**January 30, 2023**

**Principal David Stoltz**

**262-628-2550 ext. 212**

**[www.crownoflifehubertus.com](http://www.crownoflifehubertus.com)**

### **From Principal Stoltz**

A few items from your principal (a bunch of Thank You's).

1. Thank you to the parents for all the work they put into dressing up the kids for this last week's Spirit Week. The kids did a great job of participating in all of the dress up days and you are the reason why. Now you can rest and dress them in normal clothes. Thanks

2. A big thank you goes out to all of the parents that helped out this last Wednesday at our Open House. We had a great turn out and many interested parents. We hope the Open House leads to the opportunity to educate their children in the future.

3. Congratulations to Coach Kaity and the Crown of Life cheerleaders for their 2nd place finish at this weekend's KML Cheer Competition. The girls did a great job in preparing and it showed in the final standings.

4. Last, thank you this week goes to all of the parents for all their help this past basketball season in helping out at our home games. Thank you to Mrs. Priest for heading up the game day operation. We are very blessed to have a great facility for home games and you all helped them run smoothly.

5. Just a reminder that if you have a child that has an injury that would prevent them from participating in PE and recess, please let the teacher know. They will pass onto Mrs. Matter and other teachers so further injury does not occur. Thanks

### **Church Singing**

The next groups singing are in February with the Junior Choir on the 5th and grades K-3 on the 12th.

*Come, let us sing for joy to the LORD; let us shout aloud to the Rock of our salvation.*

### **NO SCHOOL**

**Monday, February 13**  
*curriculum study*

**Monday, February 20**  
*winter break*

### **Call News**

Mrs. Adams has returned the call to teach grades 2-4 at Zion Lutheran School and will be remaining at Crown of Life. She sincerely thanks all those for their kind thoughts and comments as she deliberated the call to teach at Zion Lutheran School. Your thoughts and prayers were very much appreciated.

### **Save the Date: VBS**

Our annual Vacation Bible School will be July 10-14 from 9:00 a.m. - 3:00 p.m. Staff from Camp Phillip and volunteers from Crown of Life will offer a free Bible Day Camp for students entering 3K through grade 6. Stay tuned for registration information and ways you can help.

## Scrip

19% Bath & Body Works; 15% Kwik Trip Grocery; 9% Kwik Trip Gas – These percentages are the rebate benefits to Crown of Life when you purchase SCRIP (gift cards, digital or plastic) through the RAISE RIGHT fundraising program. The rebates can be used to offset COL tuition or to benefit other enhancements or equipment for the school. Kwik Trip has modified their cards separating in store food purchases from gas purchases. The food cards typically pay 10% but as part of the Valentine's Promotion they are paying 15%. Bath & Body works normally pays 12% but through the weekend they paid 19%. Consider getting on board the SCRIP program and increase COL's opportunity to be able to get NEW things for recess play or PE play or classroom use or lowering your tuition and fees bill. Thanks for considering! Contact Belinda Matter for more information! An order is being placed this week! Need any SCRIP?

## Heart Matters

How's your heart? Healthy, heavy, soft, hardened, strong! Did you know the NIV has over 700 references to the heart found in 58 of the books of the Bible? This past weekend's church service was incredibly rich in references to the heart. Do any of them come to mind? (Check your church worship bulletin.) It's nearly that time of year to embark on our HEART adventure teaming up with the American Heart Association for our Annual Kid's Heart Challenge. It's more wonderful when families join in our heart adventure sparking meal time conversation about all aspects of the heart from the physical to the emotional to the spiritual. Our adventure will officially kick off on Valentine's Day and conclude with our 9th Jump Rope for Heart Event on Thursday, March 23, with the finale All School Jump Fest in the gym at the end of the day. Everyone is invited to attend this BIG event. Do you have any thoughts about this year's adventure or would you care to volunteer to help during PE sessions or at the Final Event. Contact Belinda Matter. Come Jump With US! It does your heart good!

## Help Needed

If you are interested in set building, making props or helping with simple costuming for the 2nd, 3rd and 4th grade play, we'd love your help. Our set will consist of a large tree that interacts with our actors while costumes will be mainly hats and t-shirts. Please contact Mrs. Grivno for more information.

### Mission Offerings

### *Multi-Language Productions*

**January 25--\$ 1.00**

## Second Semester Offerings

This semester we will be collecting our chapel offerings to support Multi-Language Productions. This outreach is a part of our WELS World Missions that assists in providing print, digital and music resources in 56 languages to share the message of Jesus around the world.

*For all school dates, please check the school calendar at*

*[www.crownoflifehubertus.com](http://www.crownoflifehubertus.com)*

## 3K-4K News

This week we will be talking about Jairus' Daughter and singing the song "Down in My Heart." In music and movement our students will focus on using various instruments in the music room and reviewing our rules for them. Movement will involve side-slides, galloping and skipping! In small group, our students will focus on WRITING.

## 5K-First Grade News

This week the kindergartners will be making Stone Soup after reading the story in class last week. Will we be able to make soup with just a stone? Maybe you will smell how delicious it is if you are walking in the hallways on Tuesday.

We have been waiting anxiously for 100th day to come. On Thursday we will finally celebrate, by dressing up as we are 100 years old! (do your best with what you have at home) Our entire day will be filled with activities that revolve around the number 100. In the kindergarten Bible time, we will hear and read Psalm 100. Math, reading and science will all have some lively activities that help us learn about the number 100.

Kindergartners are collecting pictures of family and friends around the United States so we can put them on our map. We hope to learn more about the different landforms in each state.

## Second-Third Grade News

This week we will be finishing up our posters about the chapter books we have been reading. We are looking forward to printing them and displaying not only what we learned about the books we were reading and what we have learned about using our Chromebooks. This week we will also observe the 100th day of school with some special activities. Additionally, we continue to practice our song that we will be singing in church on February 12 along with Kindergarten and First Grade. Finally, a Sign Up Genius will be coming out this week for those interested in helping out with our Valentine's party.

## Fourth Grade News

As the month of January wraps up, the 4th graders will continue studying the life of Christ including the events of Palm Sunday. Memory treasures for the week are Mark 10:45, Hymn 624:1, 1 John 4:19, and the 3rd Commandment. Math moves into a chapter on fractions. With factors and multiples being needed with fractions, keep practicing the multiplication facts.

Upcoming days to keep are on the calendar is the classroom Valentine's Day party on February 14. All students will exchange valentines during the party. Please ask if a list of names is needed. Then on

February 17, the 4th graders will be heading to Serenity Villa again. Watch for a permission form.

## Fifth-Sixth Grade News

We have got another busy week ahead of us! Reminder to please keep looking for a shoe box or a box the size of a shoe box for our art project next week Friday as we make our Valentine's Day boxes. In Science this week, we are going to take a look at some natural disasters such as volcanoes and earthquakes. We will be doing an activity on Wednesday regarding earthquakes. In Art we will be finishing up our Pointillism paintings from a couple of weeks ago. Finally, in Catechism, we will be having some tough conversations and topics as we discuss the 5th and 6th Commandment. Please let me know if you have any questions or concerns. Have a wonderful week!

## Seventh-Eighth Grade News

We had a great spirit week last week! Our class had almost full participation every day, the best spirit week for the upper graders in a while! Even with the exciting dress-up days, we still continued to stay focused through our studies. In science, we began learning about weather, in math we worked on proportions, in Catechism we are learning about baptism, and we finished our poetry work for the month of January with our speeches and poetic doodles. We are almost done with our history presentations and are wrapping up our basketball unit in P.E.

Ava Herman, that's me. I started at Crown of Life in 4K and left only to return again in fourth grade, and my sister Ashlee is currently in fourth grade. I love music and I would be constantly playing and listening to music all the time if I could. I've been playing piano since third grade and I've only just started clarinet through the KML Elementary Band program this year and I love it so much already. I love playing in the Joy handbell choir and the adult handbells as well as singing in Junior Choir with many others. I am excited to continue band when I go to Kettle next year for high school.

*Crown of Life works to educate and equip children for lives of Christian service and for eternity.*
