

# **THE COLTS CHRONICLE**

## ***Crown of Life Lutheran School***

**February 21, 2023**

**Principal David Stoltz**

**262-628-2550 ext. 212**

**[www.crownoflifehubertus.com](http://www.crownoflifehubertus.com)**

### **From Principal Stoltz**

As we begin Lent this Wednesday with Ash Wednesday, we begin our weekly Lenten Services. We have services at 4:00 p.m. and 6:30 p.m. with a meal in between. If you will be attending the 4:00 p.m. service with your child we will be offering after school study halls so you can come closer to 4:00 p.m. and not have to pick your child up after school. Please let your child's teacher know if your child will be in the study hall. Please pick your child up from the classroom that is listed for that week. We will have the classroom on the video display board in the school entryway under the "Welcome To" slide. Thanks

### **Piano Recital**

A piano recital will be held in church on Thursday, March 9, at 6:00 p.m. Mark your calendars!

### **SCRIP Orders**

A SCRIP order will be placed Tuesday, February 21. Contact Belinda Matter with any questions regarding this fantastic way to raise funds for special projects or to help offset tuition.

### **Church Singing**

On Wednesday, March 1, grades 5-8 will be singing in the 4:00 p.m. Lenten service. The Peace Handbell Choir (fifth and sixth graders) will be playing also.

#### **Junior Choir Updated Schedule**

February 22 (Ash Wednesday) at both services  
April 2 (Palm Sunday) at both services  
They will NOT be singing on March 26.

### **Art Fair at COL and KML**

This year Crown of Life students will have to chance to show off their art at Crown of Life. We will hold the COL Art Fair from April 5-12. Anyone may enter a project at COL. We will keep the art projects on display until Thursday, April 13. Only a selected few projects will be able to be taken to KML's Art Fair. So students, do your best work! Projects that have been done at school are eligible for both fairs. Also new projects you do at home will be acceptable too. More information will be handed out to the students by their teachers to give more details.

### **Wednesday Aftercare**

All aftercare students will attend the 4:00 p.m. worship services on Wednesdays during the season of Lent. The services are about 40-50 minutes in length.

If you come to pick up your child during the service, the students will be sitting at the back of the church and you are more than welcome to come get them. If you would not like your child to attend the service, please let Mrs. Schaefer know and she will communicate that with our aftercare supervisor for that day

## Kwik Trip Now

\$25 Kwik Trip Gas or Grocery cards are available for immediate purchase. Currently rebating 9% and 14% respectively for the month of February, Kwik Trip is being very generous to our school. Contact Belinda Matter or order directly from the Raise Right web site. COL's enrollment code is 4L1AFBC45961.

## Yearbooks

This year again each school family will receive one complimentary yearbook at the end of the school year. If you would like an additional yearbook or a yearbook with personalization you may purchase that online for \$15.00. More information will be coming next week on how to order.

## Pictures for Yearbook

The yearbook staff could use a few more pictures of the various sports in which our students were involved. If you have some pictures, please go to this link to upload them to the yearbook website.

<https://images.jostens.com/0iCzzdVf5Mv4DofC1CRUSHg>

We will be accepting pictures until April 10. Thank you!

### Mission Offerings

### *Multi-Language Productions*

**February 15--\$8.61**

## Return BB and Cheer Uniforms

Basketball players (boys & girls) and cheerleaders should return their uniforms TO THE OFFICE as soon as possible. We want them by the end of February at the latest. Please be sure to turn in your items in a bag labeled with your name. Do not leave your items in the hallway or on a table. We had issues with missing uniforms last year and we do not want to repeat that.

If a uniform is missing any items, is stained/damaged or is missing entirely - just know there will be a fee to replace the items. Thank you!

## Kids Heart Challenge

COL's Kids Heart Challenge is underway. Several students have registered but we have a ways to go to reach our goal. Please consider taking Finn's challenge as a family to learn hands only CPR (a skill that may save a life some day). There are many incentives to encourage involvement including thank you gifts. The Heart Heroes are dragons this year and each has a great message. Dream's message is to "SLEEP MORE" encouraging us to make sure we get enough sleep for better health and brain ability. Visit the website at Kids Heart Challenge or download the App and register today!

## Jump Rope Challenges

All students in Kindergarten through 8th grade are receiving a Jump Rope Log to track their progress throughout our jump rope unit. Rope jumping is a great fitness activity that increases coordination and agility, builds bone density, helps with balance and gives more explosive power. Talk to your students about their goals for this unit. How many total jumps do they hope to log in the next month? How many consecutive jumps do they hope to be able to do this year? Our grade records for consecutive jumps range from 7 for K4 to over 2,000 for an 8th grader. Four students made it to 1,000 jumps or more consecutively last year. Let's Start JUMPING!

## Tubing at Sunburst Ski Hill

Please join us for a fun night of tubing at Sunburst Ski Hill.

Date – Friday, February 24

Time - 5:00 p.m. to 7:00 p.m.

To register for this event, please click on the following link and use group code - **CROWNTUBE**

<https://shop.skisunburst.com/groups>

\*\*Please note that everyone must be registered and paid by February 17. You will not get the group price if you do not sign up by the 17th.

If you have any questions or need any additional information, please get in touch with Jamie Lemke at 262.689.4206 or [jamielimke1009@gmail.com](mailto:jamielimke1009@gmail.com)

## 3K-4K News

In our Bible time, students will hear the story of the Good Samaritan. In music, we will work on FAST and SLOW. Students will continue working on their hand-eye coordination by tossing and catching in movement time.

In small group, we are focusing on numbers this week. They will have the opportunity to complete various counting activities throughout the week. To help solidify the activity, students will also work on their own number recognition.

## 5K-First Grade News

In our Bible lessons this week we are learning about the three servants and the workers in the Vineyard. We learn how God gives us his love and expects us to be faithful. Our memory treasure is from 1 Corinthians 10:31-Whatever you do, do it all for the glory of God.

This week our class is anxiously waiting to have tea with a special guest on Friday. Who will it be? We will have some clues all week to find out!

Kindergartners are finishing up their map study. Thank you for bringing pictures of family and friends who live around the country. We are learning more about how different parts of our country look.

Entertainment night is coming soon. Next week we want to make sure everyone has their costume ready to go. So on Monday, February 27, please send the "base" part of your child's costume to school. We will be trying on the accessories that go with the "base" part of the costume you will provide. If you need assistance with finding the right clothing, please let Mrs. Adams know.

## Second-Third Grade News

We are working on our parts for the play and are very excited to start working with our props and even on the stage this week. We are also working on our typing skills in technology time and finding new ways to practice our spelling words.

## Fourth Grade News

Last week's snow storm plus this week's play practices means the timing of classes and tests will need to be flexible. So in math, the chapter 10 test will get made up and then the students will move into adding and subtracting fractions. Reading will have the chapter book

tests and grammar will continue with verb tense agreement. Bible study will have two more parables. Memory treasures will include Hymn 522, 1 Corinthians 12:3, and the 6th Commandment. Let's have a great week growing wiser together in Christ!

Thank you to all the parents who helped with the Valentine's Day party and the trip to Serenity Villa. You made both events special. Also thank you to everyone for the many cards and gifts.

## Fifth-Sixth Grade News

Another four day week ahead! This week we will still be playing a little bit of catchup from having our snow day last week Thursday. We are finishing up our discussion on the 8th Commandment this week and then will start the 9th Commandment. I did send home, with the students on Friday, their updated Memory Work Calendar for the rest of February and including March as well. We started our Novel Books last week and the students are finding them interesting but also a little bit of a challenge as well. In Art, we will be completing a project that revolves around Ash Wednesday, as the season of Lent begins this week in the church year. Finally, please have a note or email if your child will be staying after school on Wednesday's for the Lent service at 4pm. Have a wonderful week!

## Seventh-Eighth Grade News

Last week, we enjoyed our Monday and Thursday off. We had a Math test on Friday. We also had a debate over "weather" tornadoes or hurricanes are worse in science. We started history groups. We also changed our seating arrangements. We don't have Spanish until March because Mrs. Sitzman is vacationing in Costa Rica. We made tiles in Art, which we had this week because "Love is an art that comes from the heart." We had a small celebration for Valentines on Wednesday. We also had a Grammar, Spelling, and Science test on Wednesday.

This week's interviewee is Isabella "Izzie" Strohm. Izzie is 14 years old. She enjoys volleyball and doing people's nails. She doesn't have any pets, but she will be getting a dog in May. Her favorite class is Math. Her favorite song is "Coffee Shop Bop," a TikTok song. She doesn't like the cold.
