From Principal Stoltz

Entertainment Night is this Friday at 6:00 p.m. We are excited to host your family and friends for our annual Entertainment Night performances. This year we will have three short skits from three different groups. The performances will be about an hour long and we would encourage all to stay to the end. Please have your students at school by 5:30 p.m. but no earlier than 5:15 p.m.

Crown of Life is a Choice School that started back in the 2021-22 school year. If you are interested in being a Choice family please look at the following information.

Did you know that if your child becomes a Choice School child that all education from Pre-K thru 12th grade (KML) is paid for? See if you qualify. Students must be going into 4K, 5K, and 1st grade to qualify.

Family #	Single Inc.	Married Inc. (+7,000)
2	\$40,282	
3	\$50,666	\$57,666
4	\$61,050	\$68,050
5	\$71,434	\$78,434
6	\$81,818	\$88,818

For each additional child add \$10,384.
Income levels are Adjusted Gross Income (AGI)

If you are close to totals listed above and would like to still qualify or if you need more information please contact Mr. Stoltz.

Church Singing

Grades 5-8 is singing this Wednesday, March 1, in the 4:00 p.m. service. The students will stay in their classroom until the time of service. Then they will sit in the choir section for the entire service. The Peace Handbell Choir (fifth and sixth graders) will also play.

Next Wednesday, March 8, Grades 2-4 will also be singing in the 4:00 p.m. service. Please notify teachers if something changes and a student cannot sing. The Hope Handbell Choir (fourth graders) will also play in that service.

ENTERTAINMENT NIGHT THIS WEEK!!

Friday, March 3, at 6:00 p.m.

Students should arrive by 5:30 p.m.

**You are invited to the dress rehearsal at
10:30 a.m. on Thursday, March 2, if you
cannot attend the performance.**

Pictures for Yearbook

The yearbook staff could use a few more pictures of the various sports in which our students were involved. If you have some pictures, please go to this link to upload them to the yearbook website.

<https://images.jostens.com/0iCzzdVf5Mv4DofC1CRUSHg>

We will be accepting pictures until April 10. Thank you!

Wednesday Aftercare

All aftercare students will attend the 4:00 p.m. worship services on Wednesdays during the season of Lent. The services are about 40-50 minutes in length.

If you come to pick up your child during the service, the students will be sitting at the back of the church and you are more than welcome to come get them. If you would not like your child to attend the service, please let Mrs. Schaefer know and she will communicate that with our aftercare supervisor for that day

March Calendar on Back of Newsletter

Art Fair at COL and KML

This year Crown of Life students will have a chance to show off their art at Crown of Life. We will hold the COL Art Fair from April 5-12. Anyone may enter a project at COL. We will keep the art projects on display until Thursday, April 13. Only a selected few projects will be able to be taken to KML's Art Fair. So students, do your best work! Projects that have been done at school are eligible for both fairs. Also new projects you do at home will be acceptable too. More information will be handed out to the students by their teachers to give more details.

Mission Offerings

Multi-Language Productions

February 15--\$8.61

First Semester Offerings

\$356.20 was collected for the first semester mission offerings. These donations will be sent to the Apache mission.

Jump Ropes for Sale!

Licorice ropes and soft beaded ropes are currently available through the Snack Shack. Ropes are adjustable measuring 9'2". Available in a variety of colors. Licorice

ropes are better for speed jumping and cost \$2. Soft Beaded ropes are tangle free and cost \$5. Take the fun of jumping anywhere you go. Get your ropes today!!!

Kids Heart Challenge

JUMP, JUMP, JUMP! Move, Move, Move! Marley is our heart hero of the week and his message is to Move More! This dragon loves almost anything that has to do with movement especially with music. Music does wonders to help us keep moving and jumping and even perform CPR. Fascinatingly enough, one of the songs with the right tempo for CPR is Staying Alive! (100-120 compressions per minute) Register today for our Kids Heart Challenge and take Finn's mission to learn hands only CPR!

SpecSTACKular!

StackUp! certificates for setting a new world record as well as new overall school records and new grade record certificates were distributed last week. Five new school records were set in The Cycle, Rapid Fire and Tower Building. Thirty-two new records were set across the grades for grade records. Overall 94% of returning students broke at least one of their previous records. That's absolutely specSTACKular. Just keep stacking!

Jump Rope Challenges

We are less than a month away (March 23rd) from our Jump Rope for Heart Event. Students have been setting their goals and have been challenged with all manner of jump rope activity. U-Tube is loaded with lots of amazing jump rope videos. Each student has received a log for recording their progress but the logs are kept at school. Please encourage your students to continue working toward their goals even on non-PE days. Also help them find a way to track their progress so they can update their logs when they have PE. Jump ropes are currently being sold through the Snack Shack. These ropes are long enough for most adults, so consider making jumping rope a family affair for the next month. The fitness gained from jumping is fantastic!

SCRIP RaiseDays

Shop with SCRIP offers days with additional bonuses when ordering online through the app. March 2 and 3 are the next days when many retailers will offer additional bonuses. Check it out to increase the benefit to your tuition accounts or special school funds.

3K-4K News

Our students will have the opportunity to hear the story of The Widow's Mite and to learn more about singing FAST and SLOW. In movement, we will be working on rolling and stopping a ball! Small group will focus on SHAPES and COLORS this week.

We will have play practice each day to help us prepare for our performance on FRIDAY :)

5K-First Grade News

We can hardly contain our excitement for our play! Today we tried on some of the accessories and they looked fantastic! Parents, please send the shirt and pants part of your child's costume by Wednesday. We want to make sure everyone has what they need. Our dress rehearsal will be on Thursday, at 10:30 a.m. if you want a sneak peek. The other classes will be performing too.

The kindergartners are finishing up their Social Studies Unit on maps. We had fun pinning up the pictures of our family on our map. It is fun to see where they live in the United States. We discovered that our country has many different types of landforms and climates. Thank you everyone for helping us out with this map!!!!

In music the first graders and kindergartners have been learning a song about George Washington and also the Three Cornered Hat that he wore. We will learn the Hat song in English and in German as we add actions too.

Our new read aloud afternoon story will be about a mouse called Ragweed. Written by Avi.

Second-Third Grade News

Second and Third Grades are working hard on our play. We are so excited for Entertainment Night. We hope to see you there. We will meet in our classroom that evening at 5:30 p.m. to get our play shirts on.

Even though we are working on the play, we still are having our regular spelling words. Both grades have words with suffixes -ly and -ful this week. In reading we'll be starting new stories as well.

Fourth Grade News

Friday is Entertainment Night at 6:00 p.m. Practices are happening every day, with a dress rehearsal on Thursday at 10:30 a.m. On Friday, the students are asked to be in the classroom at 5:30 p.m. to make sure everything is ready.

This week, Bible study is based on Holy Thursday. The students will study the events in the upper room as well as in Gethsemane. Memory treasures are Matthew 26:41, Hymn 407, 7th Commandment, and Galatians 4:4-5.

In the language arts department, the students are starting pattern 3 sentences which includes indirect objects. The use of quotation marks will also be covered. Spelling list 20 will conclude with a test on Friday. Writing is incorporating drawing a doodle picture and then writing a story to match. This time the doodles were switched for one story and then will be returned to the owner for their story.

Fifth-Sixth Grade News

Big week ahead! Entertainment Night is already this Friday! The students have been putting in a lot of hard work since Christmas break and are excited to share their skit! If you didn't see my email on Thursday last week, students will just need to wear black and white for their performance on Friday. They will also need to have a baseball hat and sunglasses here all week as we finish touching up the performance. Dress rehearsal is this Thursday at 10:30 a.m., but students do not have to dress in white and black. Let me know if you have any questions!

With Entertainment Night on Friday, it will hopefully be a calmer week in studies. In Science we are looking at the Rock Cycle. Catechism we are finishing up with the 10th Commandment. Christ Light, we are looking at the last 2 parables (Theme: Giving) that Jesus teaches before the events of Holy Week. Finally, we are continuing our novel books, which seem to be going well. Only three weeks left of the 3rd quarter already! Please let me know if you have any questions or concerns! Hope to see you all on Friday!

Seventh-Eighth Grade News

As we get closer to Entertainment Night on Friday, we've been very busy practicing and preparing for our three skits about famous miracles done by Jesus. We enjoyed two days off last week, the planned day off on Monday and the very much enjoyed day off on Wednesday. Our new doodles are done for February, and we painted on tiles in art. They are sitting near the school entrance, if you'd like to come and check them out! We took a math test and began our final reading book of the year, The Day No Pigs Would Die. In Catechism we are studying The Lord's Supper. In grammar, we are starting pattern five, and in math we are starting our chapter on polygons and two-dimensional shapes.
