From Principal Stoltz

A few things:

1. The third quarter ends this week on Thursday. Report cards will be coming out on Monday, March 20.
2. Parent/Teacher conferences are next Monday and Tuesday night from 4:00-9:00 p.m. These conferences are not mandatory. If you would like to meet with your child's teacher you can send them an email to set up a time that works for both parties.
3. If you haven't heard from your son or daughter, Mrs. Priest is expecting. We would like the students to help guess what gender the baby will be. This Wednesday, March 15, we would like the students to wear blue or pink(red) to guess what gender the baby will be. The students will be told and maybe receive a special treat. Congrats Mr and Mrs. Priest.

Thursday, March 16
End of third quarter

Friday, March 17
No school/childcare

Mon.-Fri., March 27-31
Spring Break

KML Family Music Fest 2023

Kettle Moraine Lutheran High School's Music Fest will be held on Friday, April 14, from 5:00-9:00 p.m. with the theme *Wild Wild West*. Monies raised at this event will go toward the improvement of technology within the KML Music Department. This event features elementary and high school musical performances, games, live auctions, and Art Fair projects from our Lutheran Elementary School students. Food options include a fish fry, concession items, and a dessert bar. Enjoy a night of music, food, and family fun! Adult admission is \$5. Children/students get free admission. The fish dinner is \$15. Adult admission with the fish dinner is \$18.

Mission Offerings

Multi-Language Productions

March 8--\$6.46

5th-8th Grade Academic Bowl

Kettle Moraine Lutheran High School will be hosting the 2nd Academic Bowl on Tuesday, April 11, in the late afternoon. Tentatively mark your calendar. Students will receive additional information when it becomes available if they are selected to participate. Those students participating in the language arts section have already been notified due to the number of books they are required to read beforehand. This is a wonderful opportunity for students to compete and use their academic gifts if selected.

COL and KML Art Fairs

Students have received information about the KML Art Fair from their teachers. Any one PK - 8 may enter may enter one project. All projects for grades 3-8 will be judged on the use of originality, composition, execution, and visual impact. Projects of students in PreK-2 will not be judged at KML

The COL Art Fair will run from April 7- 13 the week before KML's fair. Please in bring your project, one per student on April 4 and 5. (Follow KML rules) projects that are chosen for KML will be taken by our faculty to KML Thursday. Every project needs a name and title label, which the teacher's will provide and help fill out for your child's project.

Need Any Scrip? Order Placed This Week

School Yearbooks

Each family will receive one free yearbook. If you want to order additional copies with or without personalization, go to <https://www.memorybook.com/online-pay/parent-pay/> by April 5 to place your order. Use the school code 165552.

The yearbook staff could use a few more pictures of the various sports in which our students were involved. If you have some pictures, please go to this link to upload them to the yearbook website. We will be accepting pictures until April 10. Thank you!

Jump Ropes Back in Stock

The \$5 beaded jump ropes have been restocked in the Snack Shack! Get yours today OR purchase a licorice rope in a variety of colors for \$2. Fitness benefits of jump roping include increased strength, stamina, agility, balance and coordination. Keep jumping for improvements in nearly every other sport!

Kid's Heart Challenge Match

Thanks to a generous donor and proponent of the American Heart Association's education and research cause, one student from each grade will be randomly selected with the potential to have up to \$100 of their contributions matched. Students who have misplaced their envelopes can make us of online tools or contact Mrs. Matter for a replacement envelope.

Heart Challenge Help Needed

If you are able to help out with the Jump Rope for Heart Event on Thursday, March 23, please fill out the volunteer form on the back of the newsletter and hand it in at the office. Your help would be greatly appreciated!

Meet Heart Hero Frankie!

Our heart hero of the week is Frankie, this year's leader of the Heart Heroes. This dragon's message to the students is try to be a leader too, considering the needs of those around them and working on solutions that are of benefit to many.

Heart Challenge Thank You's

The Heart Hero Characters are available for immediate distribution thanking students for their efforts to collect contributions this year's Kids Heart Challenge. Students who have turned in their envelopes or made use of the online tools should have received their Heart Hero thank you gifts last week. Other thank you gifts will be distributed after we close the event. Thanks for helping us work to make this our best year ever!

3K-4K News

This week our students will be preparing to sing in church on Wednesday, March 22, at 4:00 p.m. They will be singing "Were You There?"

We will continue with our monthly theme of dinosaurs. Students will have opportunities to explore in the sensory tub and create various art projects! This week we will focus on fine motor and sorting various items and colors.

5K-First Grade News

This week our classroom will have a few preschoolers visiting us each day for “Kindergarten for a Day.” We are excited to show them what Kindergarten is like. They will even get a little taste of what first graders do.

This Friday, we will take our Two by Two show, on the road when we go to the Gables. Most students have returned their permission slips. If you haven't returned your slip, please return it by Wednesday. If your child wants to wear the shirt and pants for their costume they may do that.

Kindergartners and first graders have talked about the KML and COL Art fairs. They may use a project we have done this year in school or create a new one to enter both fairs. See the information in this newsletter about when to bring projects to COL.

Please return any church attendance forms this week.

Second-Third Grade News

As we wrap up the third quarter, it is amazing to see the growth students have made. This is evident in our writing, our reading, our art, and even in the responsibility the students take in completing their work in a timely and neat manner. There is always room for progress but the students should be proud of their growth.

Thank you also to everyone who made it possible for so many of our class to sing in church on Wednesday evening. Raising our voices in praise is a privilege and a blessing.

Fourth Grade News

After a week of reading Dr. Seuss and learning about his books, the students are heading into the world of biographies and autobiographies. Besides reading

different stories in their textbooks, the students will pick one library book to read and make a poster demonstrating information gleaned. Watch for the book to come home.

Also this week, the students in 3rd and 4th will continue their study of Jesus, seeing Him die on the cross for our sins. Memory treasures this week include Colossians 2:9, Hymn 395:1 and the 9th Commandment. In addition grammar has a test today, math has a ch. 11 test Tuesday (along with a bit of Pi Day!), and spelling will have its test on THURSDAY!. Definitely a busy week with no school on Friday!

Fifth-Sixth Grade News

Last week of the 3rd Quarter! Since it is the end of the 3rd quarter this week, next week there will be optional Parent-Teacher Conferences on Monday and Tuesday. If you would like to meet with me, please let me know by email. For Christ Light, we are starting the events of Holy Week by looking at the story of Jesus in Gethsemane this week. In Catechism, we are starting the last section which discusses the parts of the Lord's Prayer. This section will take us to the end of the school year for Catechism. Finally, in Science, we are taking a two week break from the book and studying weather and different types of natural disasters in history. Please let me know if you have any questions! Have a wonderful three day weekend!

Seventh-Eighth Grade News

Last week we finished our skits for Entertainment Night. Life is back to normal in the classroom. This week we had a science and catechism test. We started learning about the area of a graphed shape in math and did our Spring birch trees in art. We continued reading “The Day No Pigs Would Die” and almost got another snow day on Friday.

This week's interviewee is Anthony John (AJ) Wolf. AJ is 14 years old and has a brother, Bentley, who's in 5th grade, and a dog named Teddy. He enjoys hockey, football, video games, and wrestling. His favorite color is navy blue, and he likes all country style music.

Crown of Life works to educate and equip children for lives of Christian service and for eternity.
