From Principal Stoltz

Parking at the end of the day can be a little tricky. Please remember to not park in the last 2 spots closest to the dumpster enclosures. The buses need to turn around in that spot and they need plenty of room. Thanks

Gym Improvement Project

We are excited to once again be hosting regular basketball games at Crown of Life. We hope to continue to grow our basketball program into the future. As part of this growth we are going to be updating our gym. We have received a generous donation for 4 additional basketball hoops on the sides of our gym. We have also received a matching fund donation for up to \$15,000 dollars. We would like to update our gym floor and add new bleachers to replace our old ones. We would also like to paint the gym, add courtside player chairs with school logos on them, and update our wall mats with the school logos. If you are interested in donating money to this fundraiser please contact Mr. Stoltz. We are excited to bring our gym up to date and use this beautiful facility as an outreach tool for a quality education. Thank you for your support.

Mrs. Grivno Receives Call

Dear Members of Crown of Life Lutheran Church,

This week I received a call to serve as a primary grade teacher at Peace Lutheran School in Hartford, Wisconsin. In the coming days, I will be learning about their ministry as I talk with members of their faculty. As I gather information, my family and I will be prayerfully considering where the Lord will use me next fall and in the future.

I am blessed to be serving at Crown of Life. I welcome your prayers, comments, and encouragement as we go through this process.

Serving in Christ,
Dorothy Grivno

First-Second Grade News

We have a busy week lined up! Besides Spirit Week, we will be celebrating the 100th day of school on Wednesday. Our class will write 100 words, build with 100 objects, do 100 math problems and have a few more fun surprises.

Book order catalogs were sent out last week. If anyone wants to order, please submit them online or on paper by the end of the day Friday. Our online class code is RM9KL.

February 11 will be our class Valentine Party. Students will be decorating mailboxes at school (containers are already provided). A link to a SignUp Genius for anyone looking to bring supplies or help out will be emailed to families.

Third-Fourth Grade News

It's Spirit Week! Let's have fun as we cheer on our athletes. Along with the fun, the students will continue the academics by working on multiplication for math, complex sentences in grammar, and reading informational texts. All students should be started on their reading projects based on the book they chose. Projects are due **Monday, February 7**.

On **Friday, February 11**, we will be having our Valentine's Day party. All students will be exchanging valentines. If a list of names is needed, please ask. Thank you also to the group of parents who already have plans started for the party.

For Valentine's Day, the students will also be reaching out into the community by making cards for the residents of Serenity Villa (building V). This is the same location the students used to visit before the pandemic hit. What a fun way to bring the love of Christ to others!

Fifth Grade News

Spirit week! We have fun days to dress up this week, leading up to a pep rally on Friday! There is more fun coming the following **Friday, February 11!** A Valentine's party! Everyone can bring a valentine for every student in their class along with a treat (which is optional). The party starts at 2:15 p.m.

In grammar, we are learning how to write quotations correctly. In science, we are stating a new chapter on rocks and minerals. We are starting to study the second article in catechism. Have a great week!

Sixth-Eighth Grade News

This last week we had lots of tests. We took our MLC math test and everyone did great! In History class we are doing presentations. We had a science test about heredity. This weekend girls from our classroom competed at KML for a cheer competition and finished 4th. Hope everyone had a great week!
