

# ***THE COLTS CHRONICLE***

## ***Crown of Life Lutheran School***

**April 3, 2023**

**Principal David Stoltz**

**262-628-2550 ext. 212**

**[www.crownoflifehubertus.com](http://www.crownoflifehubertus.com)**

## **From Principal Stoltz**

1. The enrollment for the 2023-2024 school year is open and you should be receiving a link to begin the enrollment process. Even though you might register right now, **payments cannot be accepted until July 1 when our fiscal year begins.**

2. Choice students' application date is fast approaching. By April 20 all applications need to be submitted. Please contact Mr. Stoltz for more information.

3. Just a reminder that this Friday our students will be singing in the 1:00 p.m. Good Friday Service. They will be dismissed at the end of the service. There will be NO busing on Friday after the service.

### **Hearts Burning Within?**

What impact does Easter have on your life? Is it a once-a-year festive celebration with bright-colored spring clothing and Easter lilies or a life-changing reality which motivates you all year long? The excited declaration of the Emmaus disciples describes a lasting Easter effect: "Were not our hearts burning within us?" But on Easter Sunday afternoon they were walking home from Jerusalem to Emmaus with heavy hearts. No fire burned within. They were downcast. A stranger joined them, whom they did not recognize as the risen Christ. They were sad because they thought Jesus was dead. They told the Stranger about the visit of the women and the message of the angels that Jesus was alive. They even knew about the visit of the disciples who found an empty tomb. Still, they hadn't seen Jesus personally and thus doubted His resurrection.

We know the story of Easter and may even accept Jesus' resurrection as a historical fact. But we don't always believe that He is alive today in our lives and for our problems. Like the Emmaus disciples, our hearts are cold.

Jesus makes the difference. He opens the Old Testament Scriptures to them about the Messiah's saving mission. While breaking bread with them in their home, Jesus reveals Himself. Now they joyfully speak the words "Were not our hearts burning within us while he talked with us on the road and opened the Scriptures to us?" Jesus kindles a flame also in our hearts. Sins exposed and confessed, we see Jesus as Savior, alive from the dead. Our hearts burn within, and we hurry to bear witness. Easter all year long. Burning hearts aglow with the risen Christ present in Word and sacraments!

On behalf of faculty and staff of Crown of Life Lutheran Church and School I would like to wish you a Happy Easter. May His resurrection bring light to your life.

## **Church Singing**

On Friday, all the students in 5K-8 sing in the 1:00 p.m. Good Friday service. The students will sit together as groups for the entire service. When the service is over and everyone dismisses in silence, backpacks will be up front by the offices to allow for a solemn dismissal.

## **Easter Information**

Come and join us for our Easter Egg Hunt at Crown of Life! Our egg hunt will be on Easter Sunday at 9:30 a.m. between services. Children will hunt for eggs outside if the weather is nice! (The egg hunt will be moved indoors if the weather doesn't cooperate.) This hunt is designed for children in 4th grade and younger. For

the rest of the family, there will also be an Easter breakfast at 9:00 a.m. Easter worship services are also happening at 8:00 and 10:30 a.m. Everyone is welcome to come join us for all or part of the morning. We hope to see you there!

## Yearbooks for Every Student

Apologies for some misinformation. This year **each student** will receive a complimentary yearbook, not just one per family. If you have ordered an extra yearbook that you do not need you will be refunded by the end of the month. However, if you want a yearbook with personalization it is still \$15.00.

## Pictures Needed for Yearbook

The yearbook staff could use a few more pictures of Entertainment Night. If you have some pictures, please go to this link to upload them to the yearbook website.

**Good Friday, April 7**

1:00 p.m. and 7:30 p.m.

**Easter Vigil, Saturday, April 8**

7:30 p.m.

**Easter Sunday, April 9**

8:00 a.m. and 10:30 p.m.

*breakfast between services*

## Field Trip to See Willy Wonka

The fourth through eighth graders will be traveling to West Bend to see the production Willy Wonka on April 20 in the afternoon. Not only will it be exciting to see a show similar to what we did last year, but one of our own students will be performing in the production! Your child will be bringing a note home this week. We are taking one bus and will have a limit of only two chaperones per room. If you would like to chaperone, please speak with your child's teacher. Return the permission slip by Monday, April 17.

## KML Summer Camp Registration

Kettle Moraine Lutheran High School will be hosting various academic, fine arts, and athletic camps this summer. Again this year, camp registration will be offered online only. Register and pay online in one easy step! Visit [kmlhs.org/camps](http://kmlhs.org/camps) for additional details and for the online registration link.

## 3K-4K News

Our students will ease back into school mode by having a week filled with ART and SENSORY fun! We will be hearing the story of Jesus crucifixion in preparation for Easter this weekend. A reminder that ALL preschool students will be picked up on Friday, April 7, at 11:45 a.m.

## 5K-First Grade News

Well, three quarters are down and one to go! We will continue to work hard and finish the year strong! This quarter we will have a little homework. The kindergartners will continue to bring the little paper booklets home to read. Please make sure to take time each night reading those stories over and over. It helps with fluency!

First graders will be bringing home one story a week for homework. They should read it at least three times before returning it at the end of the week. They can color in the smiley each time they read. When they return the story to school, they may pick a prize from the prize box.

The first graders and kindergartners will be researching and writing facts about animals, space, vehicles or seasons in writing class this week. We are continuing our unit on informational writing. Some of the time we will work with a partner. I wonder how many new things we will learn about those different subjects?

This Friday we will be singing at the 1:00 p.m. Good Friday service. We will sit together as a class for the entire service. We will be dismissed in silence immediately after the service which should be about 2:00 p.m.

## Second-Third Grade News

We are getting right back to work following our spring break. This week we will finish up our writing project about animals. We will have our second week with our novel studies. Some groups will have time for a second book while others will finish their first book and spend some time learning dictionary skills. Our spelling list this week is not in our packets again. The list this week is taken from the most commonly misspelled words for elementary students.

### Mission Offerings

### *Multi-Language Productions*

March 22--\$8.50

## Fourth Grade News

This is the last big stretch of school before going to 5th grade. To help end strong, please remember to check take home folders every night and see how the academics are progressing. Also look on PowerSchool for how the percentages come together as well as what might need finding or redoing. This quarter there will be less redos completed at school. Most papers will need to be redone at home in order to get a modified grade.

Bible study this week continues with the events of Jesus' resurrection. Memory treasures for the week are John 14:19, Hymn 411:1, and Job 19:25. Math continues to work with fractions as well as their decimal forms. For reading, the students will be completing a poster for the biography book they have read.

On Friday, April 14, the students will again be heading to Serenity Villa to visit the residents there. A permission form is in the take home folder. Please return it by this Friday.

## Fifth-Sixth Grade News

Welcome back! I hope you all had a relaxing Spring Break! In Christ Light this week, we will be looking at Jesus' Crucifixion and the Seven Words on the Cross. Catechism we will be finishing up the First Petition and start the Second Petition. For Reading, we are going back to our textbook for a couple of weeks before we read our fourth and final novel book in May. Finally, in Science we are leaving Earth Science and studying Physical Science until the end of the school year. We will be covering properties of matter in this first chapter. Have a blessed Holy Week!

## Seventh-Eighth Grade News

Last week, we finished reading Wonder. We then watched the movie 'Wonder'. We also studied atom fusion in science. We enjoyed Spring Break, but we're ready to get back to the grind. We studied square units in Math, and started our F is for (insert any word that starts with F here). We also did Jump Rope for heart.

This week, we interviewed Mrs. Matter. Her favorite activity is "games of almost any kind. Games with the grade schoolers at COL, games with 90 year olds at the Gables in Germantown." Her favorite quote is "You don't stop playing because you grow old. You grow old when you stop playing."

*Crown of Life works to educate and equip children for lives of Christian service and for eternity.*
