### **From Principal Stoltz**

Now that we have been refreshed from the break we prepare for the final stretch of the school year. We also have to start to prepare for next school year. One way you can help us do that is by getting your kids registered for the following school year. This helps us in planning for staffing, budget items, and so much more. So please take the time to get your kids registered ASAP. Even though you might register right now, **payments cannot be accepted until July 1 when our fiscal year begins.** Thanks

Go to this link to register for kindergarten through eighth grade:

If your child will require before or after school care, please register at this link:

<https://www.cognitoforms.com/COL17/BeforeAfterSchoolCare>

### **Yearbook Refunds**

For those who ordered an extra yearbook or two and do not need them anymore, we will be refunding the amount you paid near the end of the month. You will receive an email to confirm that you no longer need the extra yearbooks.

### **May Hot Lunch Forms**

The hot lunch calendar for May is on the back of the newsletter. Please return the order form that was handed out and payment by Monday, April 17.

### **Church Music**

Thank you to all the students for their songs of praise during this Lenten season. So many voices praising our risen Lord. Coming up, the Junior Choir sings next on April 30, and then all the students will be singing at the end of May on graduation.

### **School Movie Night**

There will be a movie night at Marcus Theater on Friday, April 21. Please see the attached attendance form for more information.

## Field Trip to See Willy Wonka

The fourth through eighth graders will be traveling to West Bend to see the production *Willy Wonka* on April 20 in the afternoon. Not only will it be exciting to see a show similar to what we did last year, but one of our own students will be performing in the production! We are taking one bus and will have a limit of only two chaperones per room. If you would like to chaperone, please speak with your child's teacher. Return the permission slip by Monday, April 17.

### Mission Offerings

#### *Multi-Language Productions*

April 5--\$9.45

## COL Students at Family Music Fest

The KML Family Music Fest will be this Friday, April 14, from 5:00-9:00 p.m. Some of our piano students will be performing on the cafeteria stage beginning at 7:00 p.m. We have other COL students performing in various bands and ensembles and some participating in the art showcase as well. In addition to some great music, there will also be a fish fry, concessions, an auction, and plenty of fun family games! You can find additional information about this event at <https://www.kmlhs.org/fmf/>. We hope to see you there!

## Beauty and the Beast Jr.

Kettle Moraine Lutheran High School is looking for talented kids to be a part of their production of *Beauty and the Beast Jr.* This is an independent musical that is open to the area Lutheran schools students in Grades 4-8. Rehearsals are held at Redeemer Lutheran Church in Cedarburg and KMLHS in Jackson. Performances are June 29, 30 at 7:00 p.m. and July 1 at 1:00 p.m. at the KMLHS PAC. Auditions are April 20 and 21 at 3:30-6:00 p.m. If you have questions, please contact Luba Rohrback at [lyubocka@gmail.com](mailto:lyubocka@gmail.com).

## KML Summer Camp Registration

Kettle Moraine Lutheran High School will be hosting various academic, fine arts, and athletic camps this summer. Again this year, camp registration will be offered online only. Register and pay online in one easy step! Visit [kmlhs.org/camps](http://kmlhs.org/camps) for additional details and for the online registration link.

## 3K-4K News

Our students will be hearing the story of Easter Morning this week! They have been enjoying their song "He Rose, He Rose." In movement time our students will continue to work with foam balls! They will roll, kick and balance them. In music we will work on using our voices to be loud and soft.

In small group, we will focus on numbers this week. Students will have the opportunity to complete hands-on activities and art projects to show their number recognition and understanding!

## **5K-First Grade News**

Kindergarten Bible lessons this week will focus on the accounts of people who saw Jesus after he rose from the dead.

In Writing class First graders and Kindergartners are putting the finishing touches on our informational writings. We will work with a partner to make sure we have capital letters and ending marks in the right places. It has been fun learning some new things about the subjects we chose. Later this week we will share our finished papers with our class and with our 7<sup>th</sup> & 8<sup>th</sup> grade reading buddies.

Kindergartners will be traveling to Kettle Moraine Lutheran High School on April 28. We will enjoy an exciting morning doing some fun activities throughout the school. Please find the permission slip in your child's folder.

## **Second-Third Grade News**

This week second and third graders will be back to their regular spelling lists and reading books. We have finished our animal writing assignment from grammar. Now we will be back to classifying sentences and identifying words for grammar. I am still working on details for our end of the year field trip. Look for a permission slip and more information next Monday.

## **3rd-4th Grade Science**

Last week Mrs. Foelske gave the students an option to have their study guide for Chapter 12 printed off early since the test won't be until May. About 11 students took her up on this offer. The only condition is that if they lose it, a new one will not be printed off for them. Let Mrs. Foelske know if you have any questions!

## **Fourth Grade News**

This Friday, the 4th graders head to Serenity Villa to tell the good news of the risen Savior. So far there are four drivers: Apel, Boldt, Coffey, and Jordan. Thank you for your help. We will leave at 1:00 p.m.

In Bible study, the 4th graders will be continuing the events of Easter Sunday. The memory treasure for Friday is John 5:39. There is no hymn to recite this week. Reading finishes up the bibliography posters and goes back to reading in their textbooks. Math will finish up the chapter on decimals and fractions to the hundredths.

Going into this last stretch of school, it is so important to keep an eye on your child's papers. Remember to check take home folders as well as PowerSchool. If there are redos, they may not always get written in the assignment book, but they do get sent home.

## **Fifth-Sixth Grade News**

Another full week ahead! Please remember to turn in field trip forms this week since our field trip is next week Thursday! Starting at the end of this week and a little bit of next week is state testing. Please make sure your child is getting enough sleep at night and make sure they eat a good breakfast in the morning. Finally, a project that will be coming up is the students have a book report due by April 28. They are to have a book with 200+ pages, and it is not to be a graphic novel. Please let me know if you have any questions! Have a wonderful week!

## **Seventh-Eighth Grade News**

Last week we started learning about ways to describe our family in Spanish. The track season has begun and we started relays. Many of us entered projects into the Crown of Life art fair and three of us in our class will be selected to display and be judged at KML Family Music Fest for the LES art fair. We presented our F story of choice and have one more for the year about our future. We loved singing the beautiful hymn on Friday and enjoyed our Monday off after Easter.

This week's interviewee is Mrs. Priest. Ever since she was young, she always had the want to help people whether it be teaching them or nursing them back to health. She ended up becoming a teacher and has been doing it for eight years. She has a double major and can teach anywhere up to eighth grade. Mrs. Priest loves biking, her dog Dixie, and is excited to welcome a baby boy in the summer.
