From Principal Stoltz

1. We will be doing a tailgate party on May 26. The event will start at noon. This is an optional activity. This is a Bring-Your-Own-Everything event. The cars involved will be parked around the outside of the parking lot. This is a tailgate event so bring your tailgate games/activities. If you are not staying for this activity then please park in the middle of the lower parking lot for normal dismissal. Once all the students are dismissed the picnic will begin. We hope the weather cooperates.

2. This year's Graduation Service will be on May 25 and we will have the Prek-8th grade students sing. The service will start at 6:30 p.m. More details will be coming.

Recital News

Crown of Life piano students and the three student handbell choirs will participate in a musical evening on Wednesday, May 17, at 6:00 p.m. Everyone is invited to attend and hear how our student musicians have developed their musical abilities and talents.

**NO SCHOOL
MONDAY, MAY 8**

Vacation Bible School

Crown of Life's Vacation Bible School will be held July 11-14. The Camp Phillip Day Camp "Up in the Air" is for students entering 3K-Grade 6. Registration will soon be online at crownoflifehubertus.com. For more information, please see the poster on the back of the newsletter.

3K-4K News

This week, we will be doing a review on shapes with completing patterns, identifying shapes that are different in a set, naming and tracing shapes, and tracing the names of shapes.

Our Bible story this week will be from 1 Peter 2:24, Peter and John heal a crippled man. We will also be learning the song "God's Word Is Our Great Heritage."

In music and movement, students will be reviewing their favorite songs and movements from the school year. They will have music class with Mrs. Strey on Wednesday and P.E. with Mrs. Matter on Thursday.

Reminders: There is no school on Monday May 8, and there is a Last Day of School Party and Tailgate on Friday, May 26.

5K-First Grade News

This is the month of May already! Our year is nearly finished!

The kindergartners have an exciting project for Science. We are learning about plants and animals and are observing the growth and change of caterpillars. We hope to hatch 12 Painted Lady butterflies in about 2 1/2 weeks! The first graders are helping us journal the change the caterpillars make each day!

Both classes are brainstorming ideas for our stories in Writing class. We are patterning our own books after Laura Numeroff's If You Give a Moose a Muffin and her other similar stories. So far there has been a lot of creative ideas! Can't wait to hear our finished copies!

We are learning a song to sing for the 8th grade graduation service on May 25, Thursday evening.

Multi-Language Productions

April 26--\$9.54

Second-Third Grade News

This week our class will be working with our classroom story as we turn it into a book. For music, we will be listening to our songs and writing in the beats. We will be back using our Grammar books and classifying sentences. This will be our last chapter in our books.

For all school dates, please check the school calendar at www.crownoflifehubertus.com

Third and Fourth Grade News

In social studies, the 3rd and 4th graders have begun a state report. The students each have a different state that they are excited to learn more about.

On Wednesday this week, they will have a test on the Midwest states, the Southwest states, and the Great Lakes! They have maps that they can use to study for the test.

Fourth Grade News

In celebration of Arbor Day, the start of May, and the snow ☺ in today's forecast, each 4th grader received two evergreen trees to plant at home. An information pamphlet on how to plant it is also included. It's a good thing the weather should warm up later this week!

This week the students will be working on their note cards for their famous person report. Hopefully books came today and will be used all week. Next week the note cards are used to write the report. Revising and editing will be included. The following week is typing the report and making a poster. That leaves the last week of school for the wax museum. It is on Tuesday, May 23, from 1:30-3:00 p.m. Families and friends are invited to come and enjoy. Save the date!

Fifth-Sixth Grade News

Happy May! Last month of the school year is upon us and we have lots to cover in this last month. There will be a posttest in Grammar on Wednesday. This week in Science, we will have three group presentations based on Chapter 12, which discuss Speed and Distance. In Reading, we are starting our final novel book "A Wrinkle in Time." The plan is to watch the movie (2004 version) the last week of school, which is when we will finish the book. Finally in Word of God, we will be looking at the stories of Jesus visiting his disciples Easter Evening in the locked room and then also the story of doubting Thomas. Please let me know if you have any questions! Have a wonderful week!

Seventh-Eighth Grade News

Last week, we studied graphs and Bonzai in Math. We also studied acids and bases in Science. We did Doodles and Oodles in writing. We also read Old Yeller and did a play called "*Wrong Number*" in our collections book. We started our history groups. We finished our Catechism studies and have started studying for examination and confirmation.

This week, our interviewee is Mrs. Grivno. She has a brother who is a pastor in South Dakota. She has a husband and two kids, Albert, 5th grade, and Rosalie, 3rd grade. She went to college at Concordia University and Martin Luther College. She enjoys reading, playing piano, and being in nature. She has two cats named Michi and Bailey. Her favorite food is a seven layer salad.
