From Principal Stoltz

We will be doing a tailgate party on May 26. The event will start at noon. This is an optional activity. Our closing chapel service will start at 11:30 a.m. and you are welcome to join us before the tailgate festivities begin.

I have had some questions about grade groupings for next school year. Here are the grades and teacher grouping for next year.

Mrs. Priest: Pre-K

Mrs. Adams: Kindergarten

Mrs. Grivno: 1st-2nd

Mrs. Schmidt: 3rd-4th

Mrs. Foelske: 5th Grade

Mr. Stoltz: 6th-8th Grade

The end of the school year is an exciting time for students and teachers, and is usually full of special events.

We look back on the year for all the things gained, and thank the Lord for a safe and blessed year. We thank the Lord for the lessons learned and memories in our minds. We have been blessed by the time of grace we have been given in His Kingdom.

Summer is a time for rest and rejuvenation, both for the students and teachers. We step away from physical school and get away from the daily routine of school and studies.

Please don't take the summer off from God. Find some time to start a family devotion or a Bible

study. Even though there are no Bible classes over the summer, it doesn't mean we stop reading and studying His Word. Read a chapter a day or a book a week. Attend Vacation Bible School. Set goals for reading the Bible. Attend church regularly to thank the Lord for the many blessings we receive every day. Attend church for the strengthening of your faith and the fellowship in Christ. Don't let summer be a time to not be in the Lord's house weekly.

Enjoy your summer and may Christ live in you always.

HAVE A GREAT SUMMER!

Singing

On Thursday, all the students will be singing for graduation. Students are asked to meet in their classrooms at 6:15 and will then sit together as a group for the church service.

Lost and Found

Check out the lost and found display in the hallway by the gym. Is anything there yours?

Living Wax Museum

Come and see the 4th grader's Living Wax Museum on Tuesday, May 23. The museum is open from 1:30-3:00 in the Timothy Room. Everyone is welcome!

Vacation Bible School

Crown of Life's Vacation Bible School will be held July 11-14. The free Camp Phillip Day Camp "Up in the Air" is for students entering 3K-Grade 6. **Registration is online at crownoflifehubertus.com under "News and Events."**

VBS Volunteers

Students entering 7th grade and alumni (as well as parents and grandparents) are welcome to help with our summer VBS Day Camp the week of July 10-14. Volunteers can help with snacks, crafts and guiding groups of attendees and are needed from 8:45-3:15 or half days. If you would like to help or have any questions, please contact Mrs. Grivno.

Chapel Family Field Day

The last day of school we will be having a special field day. Students from all grades will participate in a rotation of fun games and competitions culminating with a whole school gathering in the gym. Throughout the year, during chapel, students have sat together in families with students of all ages. These groups are each assigned colors. For our last day of school each chapel family is asked to dress in their color. There are just a few changes to make things easier. The group that was silver is now going to be light blue, the blue group is going to be dark blue and the gold group can dress in mustard yellow and the previously yellow group can dress in lighter and neon yellows and avoid the mustard tones.

Following the activities, all are welcome for our closing chapel at 11:30 a.m. in the church. If you are interested in helping out at one of the stations on Friday, May 26, please sign up at this link: <https://www.signupgenius.com/go/60B044DAFAD22A3F58-field>

Community Pig Roast

You are invited to COL's Community Pig Roast on Saturday, June 10, at 3:30-6:30 p.m. Come for free food, children's activities, gift card drawings, and fun! The band *Unworthy* will be playing at 5:30 p.m. We hope to see you there!

Care to Contribute

Contributions are now being accepted for door prizes for the COL Community Event taking place on Saturday, June 10 from 3:30 – 6:30 p.m. The event includes free food, free music and free activities, lots of fellowship, special guests and door prizes. Contributions for door prizes can be in the form of handicrafts, gifts, gift cards or monetary donations. Please contact Belinda Matter with any questions or drop off contributions to the school office by June 3. Watch for numerous other opportunities to lend a hand and mark your calendar to attend.

Band Awards

It was learned that in addition to the three that were mentioned last week, Cora Schmidt, Kim Nirschl, Georgia Boggs, and Lilly Schaller were also recognized at the Kettle Moraine Lutheran Band Awards. Congratulations to you all!

Hand in Track Uniforms

Please hand in clean track uniforms to the office in a plastic bag with your child's name on it.

Blue Jean Mile

Several students have accomplished a mile in blue jeans running as much of it as they were able. This challenge goes through the end of the month. Did you know that Tally Ho Circle from stop sign to stop sign and back is a mile in length? The event can be done anytime, anywhere during the month of May with the only stipulation being to do it in blue jeans. Visit the ASICS website for the full story on this challenge which began 4 years ago. Race Roster is handling registrations for anyone that wants to post a time for this free challenge.

Pickle Ball Play on the Last Day

A mini-pickle ball tournament will be going on in conjunction with the Friday after school tailgate. Three pickle ball courts will be set-up for play in the gymnasium (indoor clean gym shoes needed to play). Singles or doubles can be played. Partners for doubles can change. Signs posted outside will let you know when courts are available. Play as much as you wish, but consider giving this game a try. There are prizes for playing. Equipment and instruction will be provided. Open to anyone! Contact Belinda Matter with questions.

3K-4K News

Be sure to check ClassTag for our updates this week! We will be having a week filled with fun. We have our TWO DAY classroom party on Wednesday and Thursday. Our whole school FIELD DAY will be on Friday with a tailgate picnic afterwards. Remember, each child has a specific color they need to wear! The document for this can be found on our classroom app.

Have an amazing final week and happy summer!!

5K-First Grade News

Thank you parents and students for a terrific school year! I can't believe this is our last week! Also thank you for all the special gifts you showered me with during teacher appreciation week. I felt very loved and appreciated!

Our last Bible lessons in Kindergarten this week will be about Philip and the Ethiopian man and Jesus Changes Saul's Heart. The theme of these lessons teaches us that God wants all people to hear the gospel.

We are almost finished sharing the stories we wrote copying the style of Laura Numeroff's, "If You Give a Moose a Muffin." Some of our titles were, "If You Give a Moose Mashed Potatoes," "If You Give a Cockatiel a Cracker," and a "Crocodile Some Kool Aid" and "If You Give a Bird a Bun." We had lots of fun writing these stories and more fun listening to all the different versions we wrote.

If you haven't already, please turn in the fourth quarter church attendance sheet.

Second-Third Grade News

We are excited to be finishing up the year. In writing, we will finish our last touches on our fairy tales. We are reviewing the parts of letters in grammar and reading books of our choice for reading. There is no spelling this week.

Hope everyone has a safe and blessed summer!

Fourth Grade News

It's the last week of school. How crazy is that! Classes are obviously winding down, however, there are still a couple things to finish up. For Bible study, the lessons are about Philip and Saul. Memory treasures for Tuesday are 1 Timothy 2:3-4. There will not be a hymn to recite this week nor is there any spelling. Also, each day this week, various items will be sent home with the plan of an empty desk by the end of Thursday. Please make sure to empty out the backpacks each night.

The students have been working hard on their reports and posters for the wax museum. Make sure costumes and props are brought to school Tuesday morning. There will be time to change after the noon recess.

If interested in extra review this summer for math, feel free to contact Mrs. Schmidt. Times are available most Tuesday or Thursday mornings starting June 13.

Fifth-Sixth Grade News

Last week of school! It sure seems like this year has flown by. This week we will have some assignments and then a little bit more of a relaxed schedule as the week goes on. We will be finishing up "A Wrinkle in Time" on Tuesday and then on Thursday we will be watching the 2003 version of the movie all afternoon. For Christ Light, we will be talking about the persecution of the early church and then will possibly watch "The Prince of Egypt" the rest of the week. For Catechism, we finished all 57 lessons last week and this week we will be recapping everything that we talked about through a Jeopardy Game Show. Finally all research papers will be due Wednesday and students will present them to each other in class.

I want to say thank you for such a wonderful school year. It was my privilege to have been able to teach your child. Have a wonderful summer and don't forget to stay connected to Christ!
