## From Principal Stoltz

September 11, 2001, is a date that will be forever remembered because of the bombings of the World Trade Center, the Pentagon, and the crash of Flight 93. The people of our nation were stunned and enraged by the tragedy, then determined to punish those responsible.

In all, approximately 3,000 people lost their lives. Most were Americans, but people from about 60 other countries also perished. In memory of those who died and the heroes who tried to save them, President George W. Bush designated September 11 as Patriot Day. The observance was signed into public record on December 18, 2001.

Flags at public buildings and businesses fly at half-staff on that day, and people are urged to observe a moment of silence. On September 11, we also remember the survivors of the attacks and those who lost family members, friends, and co-workers.

At Crown of Life please take the time to observe the flag that is flown for the month of September. The flag is different from the normal Stars and Stripes. This special flag has the names of every victim lost in the 9/11 tragedy.

The faith of many was tested and strengthened. Remember what the Lord has given us and how quickly it can be lost or how often it goes unappreciated. To God be the Glory.

## 3K-4K News

This week we are working on numbers! On Tuesday, we will build towers using a specific number of blocks. On Wednesday, we will count with Cheerios and have them for a snack! On Thursday, we will trace numbers using Q-tips and paint. On Friday, we will put together a number floor puzzle. In music and movement, we will be working on galloping, sliding, and hopping. We will have music class with Mrs. Strey on Tuesday and PE with Mrs. Matter on Thursday. Our Bible story this week is Noah and the flood with the passage from Psalm 36:5 "Your steadfast love, O LORD, extends to the heavens."

Reminder that school picture day is September 18. You can bring your child in at our scheduled picture time to get their professional picture taken even if they do not attend school on Monday. You should remain with your child during picture taking time if that is what you choose to do. Grandparents Day is on Thursday, September 21 (for preschool only), and September 22 (whole school).

## Kindergarten News

This week in our Bible lessons we will hear how God Saves Noah and His Family and how God Watches Over the People at Babel. From these lessons we will learn that God is in control of all the earth and all the people in it. What a comfort when sometimes we think this world and our lives are out of control!

In Art this week we will work on making a rainbow. Watch for it to be hung up in the hallway. We are still working on numbers 1-5 in Math and will play a Bingo game to help us remember those numbers.

Don't forget to mark your church attendance sheet when you attend worship services. You may keep it at home until the quarter ends or keep it in your child's folder.

## First and Second Grade News

This week first and second grades are getting a new student. We are so excited. We look forward to helping her learn our routines and share the fun we have learning together.

In social studies, we will be reading our magazines about Rules and Laws, while in science, we continue our study of dinosaurs. We will read both fiction and nonfiction selections as we talk about facts and opinions about dinosaurs and learn about carnivores and herbivores.

In spelling, each grade will do their List 2. Their assignment is coming home today. Since it is a short week, they may want to start on it right away.

Finally, if you come into the school, make sure you take a moment to look at our art work in the hallway by our classroom. We have been busy drawing plants to go with our classroom theme, illustrating an imaginative dinosaur picture, and creating cave paintings with oil pastels.

## Third and Fourth Grade News

What an amazing two weeks of school! We welcome our new friends David, Harper, and Isabella and look forward to being together for our journey of serving up Christ's love. Looking at this week, Word of God lessons will be about the Flood and the Tower of Babel. Memory treasures will be hymn 784:1 (a beautiful bedtime prayer) on Wednesday and Isaiah 43:11 for Friday. Friday will also be another spelling test. Since it is a short week, the lists will be modified.

Events coming up for the classroom this month include singing in church on Sunday, September 17, at 8:00 a.m. Friday, September 22, in the morning is Grandparents Day and Friday, September 29, in the afternoon is our first field trip. The class will be heading to Serenity Villa, an assisted living facility near Slinger. What great opportunities to serve up the love of Christ!

Welcome back from your hopefully relaxing Labor Day weekend. We have our first spelling test this Friday! Don't forget to study! Finally, we are studying the First Commandment in Catechism. Have a wonderful week!

## Sixth – Eighth Grade News

Our second week of school was very busy and somewhat eventful getting into the routine of almost a full week! In science class we are learning about animals and have already had two quizzes. On Thursday a new student joined our class. His name is Noah Shimon and he is in sixth grade. Our room is quite full with 26 students. In “doodles and oodles of writing” the sixth and seventh graders had fun finding out what doodles are all about and we are now working on our August doodle. In Physical Education we are working on team building and having so much fun doing it. In reading we talked about slavery and what the Bible says about it and reviewed the history of slavery in our country. All of our first books we will be reading involve slavery. We were so excited for our long weekend and had a great Labor Day with two extra days off and now it's Tuesday already!
