From Principal Stoltz

As we move further into fall we get to see more of the amazing things that God has done for us. We sometimes don't take the time to stop and watch the change of season. The same can be said of our kids. We often don't stop to take a look at how our kids are growing up. Sure we might hear things like "he or she is getting so big" or "wow, you are growing up so fast." Slow down and take a look at how our kids are growing physically and mentally. Secondly, know that they are growing in the Word each and every day. As a teacher I learn something new every day. Ask your child what they have learned in school. Ask them what Bible Story they are in. The answers are part of the change in their lives.

COL Music

Band and piano lessons, handbells, and Junior Choir all continue this week. Thank you to those teachers and directors for leading students in this wonderful way to serve the Lord. Looking at the weekend, the preschool to kindergarteners sing in the late service on Sunday, October 8. The following week, the Junior Choir sings in both services.

It's changed from calendar:

PreK-Kindergarten October 8, 10:30 a.m.
Junior Choir October 15, both services

School Picture Retake Day Friday, October 20

If your child was absent for Picture Day or you're not satisfied with the pictures you received, bring the original picture package back on the 20th. If you want to order more pictures, go to mylifetouch.com and use the ID: *EVT8CVSQ6*

Charlotte's Web at KML

On Tuesday, October 24, grades K-8 will be heading to Kettle Moraine Lutheran High School to watch their children's theater production of *Charlotte's Web*. What fun it will be to see alumni Julia Strey and Micah Dobbs as part of the cast. Grades K-5 will be taking a bus, while Mr. Stoltz's room will ride in cars. Please sign the attached permission form and return by Monday, October 16.

CC Teams Travel to KML

Participants in Wednesday, October 4, KML meet will be dismissed at 2:30 for a 2:40 departure time. This meet takes place on the KML grounds and is spectator friendly. Team camps will be on the JV soccer field just behind the starting line in back of the school. Please come directly to the camp upon arrival.

CC Teams to Run at Concordia

For the first time in Colt history, COL will field a boys and girls team to run at the LSA State Cross Country meet taking place at Concordia on Saturday, October 7. The boys will race at noon with the girls to follow at 1:00 p.m. This is a very spectator friendly course. The Concordia campus is on the Lake Michigan lakefront so consider planning an adventure hike following the races to see the lake and more of the campus. The course also runs on a 9 hole disc golf course which can be enjoyed following the races. Athletes should plan to arrive between 10:30 and 11:00 and report to our team camp upon arrival.

Kindergarten News

This week the kindergartners will be learning about Jacob in our Bible lessons. Jacob made a bad choice and tricked his Father. We will learn that when we forget to trust God troubles may happen, but God is always ready to forgive.

This Sunday, October 8, the kindergartners will join with the preschoolers to sing at the 10:30 a.m. service. Please meet in the kindergarten classroom 10:15 a.m. before the service starts.

Our Pumpkin Farm trip is October 12. Please sign and return the permission slip.

No School/Childcare October 26 and 27 WELS Teachers' Conference

3K-4K News

We hope you enjoyed an extra day at home as a family! Our students will be hearing the story of Baby Moses this week. We will be working on our song SHINE which we will sing in church on Sunday, October 8. They will focus on LETTERS in small group this week (with a special focus on the letter D). Students will attempt to learn how to SKIP in movement time. TEMPO will be the focus in music class.

First and Second Grade News

We are excited for our field trip on Friday. We will be going no matter the weather. If we end up with wet weather, students should wear boots or shoes that can get dirty.

This week students will bring home the stories they started on Grandparent's Day. Not everyone was able to add all the details they planned. They can finish them if they like at home but they do not need to be returned.

The next two weeks we will have a different type of show and tell. Each child may bring an item of their choosing one time as long as it is pumpkin related... that could mean colored like one, shaped like one or starting with the same letter as pumpkin.

Third and Fourth Grade News

Thank you again to Mrs. Nickel and Mrs. Strey for driving to Serenity Villa. It was so awesome watching the students serve up Christ's love to the residents. The smiles on all the faces showed it was greatly enjoyed.

This week, Word of God continues with the study of Jacob. Memory treasures for the week are Hymn 816 for Wednesday. Third grade has verse one while the fourth graders have verses 1-2. On Friday the students will recite 1 Peter 5:7. For other classes, there are a few tests.. Grammar and math classes are ending with tests on Wednesday and Thursday. Friday is a spelling test. In reading class, the students are wrapping up their chapter books. So much to do this week!

The fall party for the room is coming on Wednesday, October 25. So far there is one volunteer. Please use the link to sign up if you are able to help.

Fifth Grade News

Memory Work: Wednesday - Hymn 816 v.1&6, Thursday - 3rd Commandment, Friday - Matthew 22:37

Welcome back from our three day weekend! Since we have a four day week, there will be no new Spelling list for this week. Last week we took a Science test, and there are retakes if your child has received an F. All retakes are to be done by Friday. On Tuesday we are wrapping up our Catechism discussion on the 3rd Commandment and then the

students will get their study guide on Thursday for their first test on October 10. Finally, Mrs. Loduha and Mrs. Gail Potratz will be subbing for me on Wednesday as I will be at a family commitment that day. Let me know if you have any questions and have a wonderful week!

Sixth – Eighth Grade News

My name is Ava Stolzman and I am co-editor for the weekly newsletter along with Lauren Kernats. Lauren and I have both attended Crown of Life since preschool and now we are in eighth grade and looking forward to high school in fall. Three words I use to describe myself are athletic, funky, and nice. My favorite subject in school is art because I like to paint. I do well in Math, but find it hard even though Mrs. Schmidt is a great teacher. I'm busy at home painting, baking, and running. I also do track, cheer, and tumbling outside of school. I like to spend time with my friends because it is so much fun with them. I have two cats, Timi and Manu, and a bunny named Millie. I like to spend time with my family and recently we went to Alabama. My favorite color is purple, and my favorite food is steak. I like the movie Minions and the TV show Grey's Anatomy. After high school I plan to go to medical school and would like to be a doctor of some type. I'm not sure what kind though.

School is going great and we are busy with our classes. We had a long writing test. We had a cross country meet on Wednesday and everyone did great! Our volleyball team also had a game this week. On to next week!

Crown of Life works to educate and equip children for lives of Christian service and for eternity.
