From Principal Stoltz

We are slowly returning back to normal as we see declining numbers in COVID cases and have not had a reported case in almost a month. One of the changes we will see is returning back to joint recesses. This means that we will have three rooms outside for recess and not restricted to certain areas. That will begin this week. Next week we will start to eat lunch in the Timothy Room with lower grades (PreK through Grade 4) eating in the Timothy Room on Monday and Tuesdays and upper grades (Grades 5-8) eating in the Timothy Room on Thursday and Fridays. We are excited to start to bring students back together.

Call Returned

Dear Families of Crown of Life Lutheran School,

Earlier this year, I received a call to serve as a primary grades teacher at Peace Lutheran School in Hartford, WI. After prayerful deliberation, I have declined that call. I pray that the Lord continues to bless their ministry and the awesome growth they are experiencing.

During the deliberation process, many of you reached out to me with encouragement and kept me in your prayers. That is only one of the reasons I am blessed to serve here at Crown of Life. What a wonderful opportunity it has been to spend the time talking with everyone and evaluating where I can best serve. I pray for your continued support and God's blessings as I look forward to continuing in my ministry here.

Serving in Christ,
Mrs. Dorothy Grivno

Hot Lunch

The March hot lunch calendar is on the back of the newsletter and order forms went home today. Please return completed forms and payment **by the morning of Monday, February 21.**

Church Singing

This Sunday, the students in grades 5-8 sing in the early service. They will meet at 7:40 a.m. in Mrs. Schmidt's classroom for a final practice. Their anthem is called "Love Is..." and the students will also be leading the opening hymn. What a wonderful way to serve our Lord and Savior.

Built on the Rock

Twosday 2/22/22

Next week Tuesday will be a special day of twos. Here at Crown of Life all students will be voting on a TWO (sequel) movie to watch in the afternoon on our huge inflatable movie screen. Students may bring blankets or beach towels to spread on the gym floor to enjoy the afternoon movie.

MSO Concert

On **February 24**, the students in grades 3-8 will get to enjoy a trip to the Milwaukee Symphony Orchestra. The youth performance being seen is called ***Recycling Rhapsody: Composers Reuse and Recycle, Too!*** What a blessing to be able to go once again. Please return the permission form to complete the planning.

Wednesday Aftercare

Aftercare students will attend the 4:00 p.m. Lenten worship services on Wednesdays. They will sit in the back of the church. Families are free to continue their planned pick up time, just understand our location will be in the church.

Warm Up with Music!

COL piano students will present a winter recital on **Wednesday, February 23**, at 6:30 p.m. in the church sanctuary. "Warm Up with Music!" is the theme. The piano students will be playing many different styles of fun music. All are invited to come and let the music help warm your long, cold winter.

KWIK Trip Cards Available

Kwik Trip gift cards are available through the office for immediate purchase. \$25, \$50 and \$100 cards are currently available. 9% of sales will benefit the gymnasium renovation project for the month of February. This is being offered in conjunction with our ShopWithScrip program that helps offset tuition and fees for school families. Contact Belinda Matter or Dawn Schaezner with questions

It's Scrip Week (AGAIN)

Sorry but 5 Mondays in January threw us off track so it's SCRIP Week this week too! Don't forget Kwik Trip is paying 9% through February 25 and is available for immediate purchase in the office to for the gymnasium renovation project. Basketball players are being challenged to offer these gift cards for sale to five people they know. They will be eligible for a \$25 gift card of their choosing if they get 3 sales or \$100 in sales of Kwik Trip.

Dust off Your Jump Ropes

Next up in PE is The Kid's Heart Challenge including a variety of activities with jump ropes. Watch for more details regarding this year's heart heroes and support the efforts of your students to be heart heroes too. Help them open their eyes and their ears to references pertaining to the heart especially in church.

Boxtop Bonuses

Boxtops for Education was paying bonuses for Valentine's Day. If you purchased two qualifying products between February 11 and 14 please be sure to scan your receipts for a fifty cent bonus. All boxtops transactions take place via a phone app. Super simple to scan receipts once you have the app and watch the benefit to Crown of Life grow and grow. Thanks for contributing!

- (T) Using counting bears, students will create various patterns!
- (W) Students will create bead bracelets using an AB pattern
- (TH) We will be creating dot marker patterns
- (F) Students will use pattern blocks to create their own patterns

5K News

Thank you Students for singing your beautiful songs in church on Sunday!

This week in our Bible lessons we will hear about the Day the Sun Stopped Shining and learn more about Joshua as he says goodbye to the children of Israel. Our theme will be how God blesses his people and wants them to stay faithful to him.

The kindergartners are wrapping up our study of maps in Social Studies with a special project. We will be mapping where our friends and family live, hopefully with some pictures as well. It will be fun to see the different places for each state. (See the note attached to the Kindergarten News.)

On Tuesday 2/22/22 the Kindergartners will have some fun playing with the number two throughout the day.

First-Second Grade News

This week we are going to focus our mathematical thinking on clocks and money. We will play games and use our Chromebooks as we work on those skills. We are continuing our study of the skeletal system in science and talking about some past Presidents in social studies.

We will be starting a new show and tell rotation. A note will be in the yellow folders today. This time we will be bringing our favorite picture books (not chapter books 😊). Students will share them with the class and choose if they'd like to read them or have me read them aloud.

Thank you to all who were able to join us for singing on Sunday. The students sang beautifully.

For all school dates, please check the school calendar at www.crownoflifehubertus.com

Third-Fourth Grade News

Thank you to everyone for the many valentines and gifts. Your generosity is just amazing. Thank you also to those who worked to put together our classroom party. You rock!!

This week the students continue to learn about the time of the judges, especially a man named Samson. Memory treasures for the week are the 7th Commandment and 1 Peter 5:8. There is no spelling for the week, however, grammar gets into a new pattern which includes direct objects. Math wraps up with a test for the 3rd graders on Thursday and on Friday for the 4th graders.

Book orders came home today. They are due back by next Thursday, February 24. Our last order came within a week from processing, so these orders should come quickly as well.

Fifth Grade News

Hopefully everyone enjoyed their Valentine's Day vacation from school! We have a bit shorter week, so we will not have a spelling unit this week. This Sunday the fifth graders sing with the 6-8 graders at 8:00 church. Please meet in Mrs. Schmidt's classroom at 7:40.

Next week, we look forward to a couple of fun days! We will have a special "twos" day on Tuesday, 2/22/22! The whole school will be watching a movie in the gym together. Also, next Thursday is our trip to the symphony! Have a great week.

Sixth-Eighth Grade News

This last week in reading class we read more in our Anne Frank book. We had lots of tests this week. In History class we are doing presentations on Industry and Imperialism. In grammar we are learning about double negatives and how to change those in a sentence. This week we are memorizing hymn 550. Have a great week!

Crown of Life works to educate and equip children for lives of Christian service and for eternity.
