From Principal Stoltz

A few things this week

Just a reminder that shorts are no longer allowed.

I want to thank all of our coaches for the Fall sports. We are not able to do Fall sports without these volunteers who give of their time and effort to coach our student athletes.

We are in need of colored markers and coloring books for our after care. Any donations can be brought into the office.

Thank you to all who donated coats, mittens, and hats. We filled the box and then some. St. John's on the Hill sent a heartfelt thank you to Crown of Life for their generous support.

Parent/Teacher Conferences

Wednesday and Thursday are mandatory conferences from 4:00 -9:00 p.m. Use this link to see what is available for the teacher(s) with whom you would like to meet.

COL Music

Thank you, Junior Choir, for the beautiful songs of praise yesterday. What a great way to serve our Lord and Savior! This weekend grades K-2 will be singing in the late service. Grades 3-5 will sing in the early service the week after. Both dates will have youth handbells playing as well. Then, coming up Wednesday, November 15, there is a piano hymn recital from all of the piano students. At the end of the month, KML will be coming to meet with the 4th graders to start planning for band next year. So many ways to serve through music!

All Basketball Parents Meeting

We will be having our Parent Meeting at 5:00 p.m. on Monday, November 6. It should only take about 30 minutes. Please plan on attending so that we can run through the schedule, parent volunteer information, and more for our basketball season. If you are unable to attend, please notify your coach or our AD, Melissa Priest. Thank you!

Parent Cheer Meeting

There will be a meeting for parents of cheerleaders on Wednesday, November 8, at 5:00 p.m.

There is no cheer practice on Tuesday, November 21

Gift Cards Anyone?

If you are in need of any gift cards for shopping or gifts, please consider ordering through our SCRIP program where a percentage of your spending benefits school. Kwik Trip pays up to 14% in benefits for groceries. During the holidays, many retailers offer \$5 and \$10 gift cards not normally available.

Please visit RaiseRight.com to see the more than 700 retailers. Sign up and order online or watch for an order form available soon for order on paper. Our enrollment code is 4L1AFBC45961.

December Hot Lunch

Can't believe we're talking about December, but the hot lunch menu for next month was already received. The calendar is on the back of the newsletter and order form handed out. Completed forms and payments are due no later than Monday, November 13.

STACK UP! One Week Away!

We are one week away for the STACK UP! event where we will be joining more than 750,000 stackers around the world in an attempt to set a new WORLD record. More than 776,000 stackers have registered, well beyond the goal of 750,000 and surpassing last year's record. Can COL make our own goal of 130 stackers this year? Please see the attached CUPSTACKING CHRONICLE and make plans to attend the event. Thirty minutes of stacking activity is all that's required to be counted but the activity must take place on Tuesday, Wednesday, or Thursday of next week. Come and stack with us!

Candy Cane Run

It's not too late to join the team "A SIMPLE MATTER OF COLTS RUNNING" for this Saturday's Candy Cane 5k or Jingle Bell Dash. Races start at 9:45 a.m. at Fireman's Park in Germantown on Saturday, November 11. Come with run with us (or walk).

3K-4K News

We will hear the story of David in Bible this week. Students will focus on shapes throughout the week. We will have various hands on activities to help them better understand each shape and recognize them by name. In music and movement we are continuing with new animal movements, and identifying fast and slow and showing fast and slow with bodies

Kindergarten News

In our Bible lessons this week we will be hearing about Moses as a baby. We will see how God took care of him and kept him safe.

We have been talking about seasons and the weather in Science. This week we will do an experiment to find out the effects of wind. (To make our own wind we will need to borrow some turkey basters. Could we borrow one of yours from home?)

On Sunday, November 12, at 10:30 a.m. the kindergartners through second graders will sing. Please come at 10:15 to Mrs. Grivno's classroom the practice before the service.

Hopefully everyone has been able to sign up for a conference this week. I am looking forward to meeting with you!

Mission Offerings

Central African Medical Mission

November 1--\$52.10

First and Second Grade News

This week in first and second grades we are back to our regular spelling lists and reading books. Last week was fun reading some special books...oddly enough following *Charlotte's Web*, many had pigs. We compared and contrasted them with Wilbur.

We continue talking about habitats in science. Last week we made water habitat displays. We will be learning about adaptations animals have to thrive in these.

In social studies, we are going to learn more about how economies work as we read about "Why People Work."

Second grade has also been working hard at our two digit addition with regrouping and I am so proud of their progress. First grade is finishing a chapter on measuring.

Third and Fourth Grade News

This week, the students have a transition in Bible study from Joseph to Moses. Memory treasures include Romans 8:28, Psalm 124:8 and Hymn 885. After this week, memory treasures will be including recitations for the Christmas service. Grammar is wrapping up a chapter and moving into compound elements with sentences. And since there is no school on Friday, the spelling test will be on Thursday.

If you haven't already done so, please turn in the permission forms for the trip to Serenity Villa. Drivers are still needed. Also, remember to check the sign up for parent/teacher conferences. Looking forward to seeing everyone.

Fifth Grade News

Memory Work: Tuesday - Matthew 22:39b, Wednesday - Hymn 885 v. 1, Thursday - 6th Commandment

Short week this week, and a lot is happening. In Catechism, we are finishing up our discussion on the 5th Commandment and then beginning the 6th Commandment on Thursday. In Reading, we are finishing up reading *Holes* on Thursday and student

projects are due next week Friday, November 17. Finally, students begin their Science presentations and teaching in class this week. They put a lot of hard work into preparing these presentations over the last week and are excited to teach the class. Don't forget to sign up for conferences later this week, and I look forward to speaking with everyone!

Sixth – Eighth Grade News

Timmy Gullickson is the youngest in his family and is the student for the week. His family enjoyed Wisconsin Dells for a vacation this summer and he especially liked Mt. Olympus. He has an older sister Josie and an older brother Jonny and both are attending school at KML. He also has two cats. Moses and Boaz, for pets. The three words he uses to describe himself are green, creative, and lasagna. So obviously green is his favorite color and lasagna is his favorite food! Other favorites include "Megamind" for a movie and "Big Bang Theory" for a TV show. Creative is the third word he uses to describe himself which is most likely why Art is his favorite subject. And he has created some pretty great doodle pictures already this school year plus you should see the amazing book cover he made. When he gets older he wants a job that allows him to use his creativity. He enjoys going on field trips for school and being outside on nice days. Finally if he could choose one famous person living or dead to be a substitute teacher for a day he would pick Moses.

Our second semester of school started this week. We are beginning practice for our basketball and cheerleading seasons. In gym class it will be interesting to see if our cup stacking skills have improved from last year. We received our Christmas service and will need to start working on memorizing our individual and group recitations.

Crown of Life works to educate and equip children for lives of Christian service and for eternity.
