

THE COLTS CHRONICLE

Crown of Life Lutheran School

November 13, 2023

Principal David Stoltz

262-628-2550 ext. 212

www.crownoflifehubertus.com

From Principal Stoltz

On Sunday, December 17, we will have the school Christmas service in the 8:00 and 10:30 a.m. services. We are asking the students to be in both services. However, the preschool will be in the 10:30 a.m. service only. We also do not want to have an overload of people in one service versus the other service. Because of this we are requesting that families with last names beginning in A-R try to attend the 8:00 a.m. service and families with the last names beginning in R-Z please try to attend the 10:30 a.m. service. This is only a request not required. We felt this would even out the attendance at each service. Thank you in advance for your cooperation.

COL Music

Thank you to the K-2 grades for their song of praise in church this past weekend. Also, thank you to the Joy Handbell Choir. This weekend grades 3-5 will sing and the Peace Handbell Choir will play in the early service. This week is also the hymn piano recital on Wednesday evening. Keep praising the Lord!

Gift Cards Anyone?

If you are in need of any gift cards for shopping or gifts, please consider ordering through our SCRIP program where a percentage of your spending benefits school. Kwik Trip pays up to 14% in benefits for groceries. During the holidays, many retailers offer \$5 and \$10 gift cards not normally available. Please visit RaiseRight.com to see the more than 700 retailers. Sign UP and order online or watch for an order form available soon for order on paper. Our enrollment code is 4L1AFBC45961

Wednesday, November 22
noon dismissal

Thurs.-Fri., November 23-24
no school

Thanksgiving Day Service
9:00 a.m.

No Stacking Tuesday A.M.

There will be no sport stacking on Tuesday, November 14. Stacking will resume on Wednesday after school and Friday before school and will continue until Friday, December 8. There is a tournament taking place in Racine on December 9. All stackers should consider giving this sport a try at the next level. Think about it.

Mission Offerings

Central African Medical Mission

November 8--\$25.16

Stacking Time Change

This week is our STACK UP! event where we will try once again to break the record for the most people sport stacking around the world! Preregistration numbers are quite promising for reaching the goal of 750,000 stackers. Thirty minutes of stacking fun is all that's required to be counted. The stacking schedule has been changed to all take place on Thursday, November 16. Classroom stack times will be as follows:

8:30 5th/6th Grade

9:30 3rd/4th Grade

10:30 3K/4K

11:30 7th/8th Grade

12:30 1st/2nd Grade

1:20 Kindergarten

Anyone is welcome to join in for the classroom sessions. There is also an afterschool session on Wednesday, November 15, from 3:30 – 4:45.

Help Stock UP the Food Pantry

Please bring your contributions for the food pantry by the end of the week. The plan is to deliver the bounty before Thanksgiving to St. John's on the Hillside. Remember 12 matching items receives an entry into the drawing for a set of speed stack cups.

Get Your Gear While It's Here

Speed Stack equipment is available for purchase through the Snack Shack throughout the month of November. Items in the store are less expensive than purchasing online and each purchase benefits school. Let the stacking continue with your own equipment at home. Thanksgiving family stacking is great fun too! You may also borrow equipment from school to enhance the Thanksgiving family stacking fun!

Candy Cane Runners Ran Well

Our running/walking team had 15 participants for last Saturday's Candy Cane 5k in Germantown. Starting with the young children's Jingle Bell Dash and ending with a Veterans Day Service the day was beautiful. The team took home four age division medals, three of which were 1st in divisions. Next run is the Reindeer Run with the Enchantment in the Park Christmas lights display in Regner Park (West Bend) on December 9 at 4:30 p.m. The Reindeer Run is a 5k run or 1 mile walk and collects contributions for the Full Shelf Food Pantry. Come join us! January run will be the Samson Stomp at the zoo.

There is no cheer practice on Tuesday, November 21

3K-4K News

We are talking about what we're thankful for this week! We will also hear the story of Naomi and Ruth. In small group, we're learning about numbers! We will have various games and activities to help them learn.

Kindergarten News

Thank you parents for coming to discuss your children's progress at our conferences last week. We had some great discussions! Now we continue to move onward with Quarter 2!

This week, Friday, we will have another Reading Buddy Day. We will share one or two of the stories we have been learning to read with them. I think our buddies will be impressed by our reading!!!

As December quickly approaches, I am working with Mrs. Matter to coordinate Christmas caroling at The Gables. We are narrowing down a date and I will let you know when that will be. It has been a tradition the kindergarten room to dress festively and Christmas carol at a nearby nursing home. It is always a fun time!

First and Second Grade News

In first and second grades, students will be working on writing a paragraph this week. We will review what makes a sentence and then learn about topic sentences.

First grade finished their chapter on measurement in math and will begin exploring place value. Second grade will be moving on from two-digit addition to two-digit subtraction.

This week we will finish our social studies magazine about economics and why people work by talking about benefits of different types of jobs.

Our Bible lessons are "Pharaoh Does Not Obey God" and "The Plagues." We will also be starting our Christmas Service parts.

Third and Fourth Grade News

Almost halfway through November! How can that be? This week the students continue the life of Moses. Memory treasures will be 1 Peter 5:8 for Tuesday and Psalm 37:5 for Friday. There will be no hymn recited on Wednesday as the students finalize their song for church on Sunday. Christmas songs and recitations have also started. Memory treasures will be switching to that material next week.

This Friday is our trip to Serenity Villa. Thank you to Mrs. Klemann, Ms. Reuteler, and Mrs. Graff for driving. We will be leaving at 1:00 and returning around 2:45.

Fifth Grade News

Memory Work: Wednesday - Hymn 570 v. 1&6, Thursday - Matthew 19:6, Friday - Romans 8:28
List 8 (Homophones!): Steel, steal, whose, who's, manor, manner, pedal, peddle, berry, bury, hangar, hanger, overdo, overdue, aloud, allowed, ring, wring, lesson, lessen

Another full week ahead! With only a week before Thanksgiving, we have lots to accomplish in the classroom this upcoming week. In Grammar, students have finished writing their Expository papers and will read them to their classmates this

week. In Science, we are halfway through our presentations and will be receiving their study guide for Chapters 7-8 on Friday. In Catechism, we talked about the foundation of what marriage is. This week we will be taking a look at sins of adultery. Finally, Holes projects are due Friday, November 17, and I look forward to seeing all the hard work the students have put in over these last several weeks.

Sixth – Eighth Grade News

Giana Kenderish is a seventh grader this year. Some of her favorite things are the color purple, steak, the movie "Annie", the TV show "Friends", and giraffes. Giana has a younger sister Amanda who is in the fifth grade and their pet dog Louie. Her family keeps busy with Crown of Life activities and are always busy helping with whatever is needed. She is a great student as well. She enjoys Art the most because there usually isn't additional homework to do. Any recesses are always a plus during the school day. Giana likes to be active and participates in cheerleading, volleyball, and track. She would choose Taylor Swift to be a substitute teacher at school and give her private singing lessons while she was here. Giana already is involved with music playing handbells, piano, and singing in the Junior Choir. At home she enjoys being outside and spending time with her sister. Her family took a trip to upstate New York and her favorite part was visiting family.

Last week was a short four day week with no school on Friday. We had a great time at the Admirals' game and loved the weather guys' experiments. The parents met with the teachers for Parent Teacher Conferences to see how our progress for the start of the year has gone. Albert, Georgia, and Hope are participating in Forensics at KML Tuesday. Stay tuned to next week's newsletter to see how they did.
