From Principal Stoltz

A few items...

1. You should have received an email for a SignUpGenius last Friday. The SignUpGenius is for gym improvement updates. We ask that if you could help out and sign up to create one of the baskets that would be great. You can bid on all gift baskets starting on March 9-23. All baskets will be on display in the school hallways. The link to sign up is: <https://www.signupgenius.com/go/5080F4AA4AD2DA6F58-gift>

2. Last week the sign up for next year's Choice program opened up. If you are already in this program please look into renewing your child(ren) for next school year. If you are interested in enrolling in this program or just getting additional information, please get in touch with Mr. Stoltz and he can give you more information as to how to enroll in this program.

School Registration for 2022-2023 opens March 1. Please go to go to our webpage at crownoflifehubertus.com and follow the link to register.

Built on the Rock

Church Singing

Looking ahead to the month of March, preschool to 2nd grade sings for the 4:00 p.m. Lent service on **March 9**, and Junior Choir sings on **Sunday, March 13**, for both morning services. **Wednesday, March 23**, is when the Seminary Chorus is singing in the 6:30 service. Some students may be asked to join them for a song.

Save the Date!

Father-Daughter Dance

**Saturday, April 30th
6:00 to 9:00 p.m.**

Wednesday Aftercare

Aftercare students will attend the 4:00 p.m. Lenten worship services on Wednesdays. They will sit in the back of the church. Families are free to continue their planned pick up time, just understand will be in the church.

4th Monday SCRIP Week

SCRIP weeks fall on the 2nd and 4th Monday of the month and so it is a regularly scheduled SCRIP week. Please note however that an order can actually be placed anytime, so if you have a need on a non-order week, please don't hesitate to ask. Actual SCRIP cards take three days to come in, but e-cards and reloadables are available immediately. Consider getting on board with this program that offers up to 20% rebates (especially during holiday promotions).

Kwik Trip Sales Recap

Thanks to all who took advantage of our recent KWIK Trip Gift Card Promotion benefiting gymnasium renovations. The basketball players were the primary sellers but a few additional students requested the opportunity to help. The girls B Basketball team had 66% participation while the boys B team had 60%. The A Team players came in at 40%. The boys team sold the most monetarily with Cade Lemke and Anthony Torres being the top two sellers, but Kendall Boldt had the most customers. Leah Dobbs (a non-basketball player currently) was the first to turn her order in and Sebastian Schuessler was awarded a gift card of his choosing for having met the three customer or \$100 in sales criteria to be entered in the drawing. Thanks to all who purchased cards in this promotion.

Get on Board!

Join those who have already gotten on board for this year's Kids Heart Challenge. Initial letters and envelopes were distributed last week through the classrooms. Posters will be hung outside each classroom monitoring the progress. This year's theme of Getting On Board has the Heart Heroes adventuring across America exploring national landmarks and encouraging students to not only improve their own fitness by getting more exercise but also being kind to those around them and considering to help those with special needs for their hearts. The American Heart Association is the oldest volunteer organization in America and their work depends heavily on the generosity of others. They not only do lifesaving research which benefits thousands of people but they also invest heavily in the education of people as to how to take care of your hearts. This is COL's 8th year of being involved in this program. Please register your students online and take Fin's challenge for how to potentially save lives.

Two-TWO Tuesday

Although our special "TWO" day was cancelled at school, there were reports of "TWO" activity taking place at home. These activities included playing duets on the piano, running 2.22 Kilometers in 20

minutes and 22 seconds and SIBLING Rope jumping. Sibling rope jumping is a record we are reporting this year, so practice up. How many times can you and your sibling jump together in an individual rope? Start keeping track so you are ready for our BIG JUMP ROPE FINALE!

10 Day Rope Jumping Challenge

Get on Board for our 10 Day Rope Jumping Challenge leading up to our Big Event. Everyone's challenged to 1) jump rope for ten consecutive days and 2) set a goal for a certain number of jumps each day. Challenge cards will be distributed soon! All family members are invited to be a part of it. Contact Mrs. Matter if you are in need of a jump rope!

School Calendar

The March school calendar is on the back of the newsletter.

3K-4K News

REMINDER, our students will be singing with K-2 on Wednesday, March 9th at the 4pm lenten worship service. There is a meal afterward you are more than welcome to join!

Bible Time

- Jesus Visits Friends, Matthew 11:29, "Learn from Me"
- O Lamb of God (our song we will sing in church on March 9th)

Music & Movement

- Students will work on tempo and pitch
- Music class with Mrs. Strey on Wednesdays
- Movement will be GO car GO, reviewing the terms STOP and GO. We will also review making a table and bridge with our bodies

Small Group

Our KDI will be LETTERS and our LOTW is Rr.

- (M) Students will match upper and lowercase letters with a sticker activity!
- (T) We will continue matching upper and lowercase letters using a flower game at the tables
- (W) We will still match upper and lower case letters using clothespins and a board
- (TH) Alphabet puzzles
- (F) Students will match the proper magnetiles with upper and lower case letters!

5K News

This week the season of Lent begins. The kindergartners will discover the meaning of Lent and what we do during this time. We will have afternoon devotions helping us understand the journey of the Lenten season. On Friday we will make a special Art project to continue our Lenten theme.

This week we will discover the taste of green eggs and ham as we talk about Dr. Seuss. We will share our opinion if we like green eggs and ham. (Before and after tasting them!)

Thank you, parents, for gathering and sending pictures of your friends and family around the United States. We are having fun discovering different parts of our country! Come see what our map looks like!

First-Second Grade News

This week first and second grades are working on the song "Lamb of God" which we will be singing in church with Preschool and Kindergarten next **Wednesday, March 9**, during the 4:00 p.m. service. Students will stay in the classroom following school and sit together in church until after we sing. Please let me know in advance if your child will not be able to sing that afternoon.

Our Bible lessons this week are about Ruth and her faith in God. In social studies we are comparing the past and the present. We will continue to learn about our muscles in science. Another ongoing project is our poetry study. We continue exploring different types of poetry and trying our hand at writing poems of our own in each style.

Third-Fourth Grade News

Here we go into the month of March. That means Lenten services are starting at 4:00 and 6:30. Please make sure to let the school know if the students are going to the early service and should not ride the bus and such.

In Bible study, lessons move to studying about Samuel, the last judge for the Israelites. Memory treasures include Proverbs 13:24, 1 John 4:19, and the 9th Commandment. In reading the fourth graders are reading *Charlotte's Web* while the third graders concentrate on more myths and legends in their textbooks. Music time will build on the composers and instruments heard at the symphony attended last week.

Finally, the 34ers are putting together some baskets to put into the silent auction fundraiser for our gym. If willing,

please use this sign up to volunteer items for making the baskets. Feel free to expand from what the sign up has! All items need to be at school by Monday so that the baskets can be assembled.

Fifth Grade News

I hope everyone stayed safe and enjoyed having an ice day off of school! We had a wonderful time at the symphony last Thursday also!

This week 5th graders will have a spelling test and a science test. In catechism, we are studying the Third Article.

The class is very excited about the projects for our gym this summer. To help raise funds for the gym, our class will be gathering things for a spring break/beach basket. The basket will be on display with other baskets for a silent auction. There are ideas of what students could donate for the basket on individual tags on our classroom board. Parents are invited to take a look too, if you have the chance. Once an item is purchased we will remove that tag. We will need to have all donations by **March 8**. Thank you for all your support and prayers for our school.

Sixth-Eighth Grade News

Last week in science class we worked on how you name an organism. In reading we read more in our Anne Frank book. We had a snow day on Tuesday! Hope everyone had a great day off. We also went to the symphony on Thursday. It was so fun! Have a great week!
