CROWN OF LIFE GYM IMPROVEMENT PROJECT

We are very excited to once again be hosting regular school basketball games at Crown of Life. We hope to continue to grow our basketball program into the future. As a part of this growth we are going to be updating our gym. We have received a very generous donation of four additional basketball hoops to be installed on the north and south walls our gym. We are also very excited to report a second COL member has come forward with a matching fund donation of up to \$15,000 for this project!

We will be holding a silent auction to generate additional funding for the gym project. We need help to make this a success. You may sign up to make a basket that is listed in the SignUpGenius link below or make your own. Baskets need to be brought into the office no later than the morning of March 9. Please include a card listing the items in the basket and its approximate value. The baskets will be displayed in the hallways for others to bid on for three weeks--March 9 to March 23. Please check during that time to see if you might want to place a higher bid on any basket. After three weeks the highest bidders will receive their baskets. We are hoping that families of Crown of Life Lutheran Church and School will get involved!
