### **From Principal Stoltz**

A few items...

1. Last month, Crown of Life called Daniel Kasten to be our 5th and 6th grade teacher and Technology Director. He has declined our call. The calling window will be closing before we can get another call sent out. We will next be going to the MLC Assignment Committee. Our hope is to get a graduate that will be our 5th and 6th grade teacher and our Technology Director.

2. A big thank-you to all who helped with the Gym Improvement Auction. We raised \$6705.10. All the money will go towards the gym updates. We currently have paid for four new basketball hoops, redoing the gym floor, and are halfway to new bleachers. Thank you to all for your generous donations and to those who helped make this fundraiser a huge success.

3. We have exciting news when it comes to our Spirit Wear. We will be switching companies to the Sideline Store. Sideline Store has all the latest fashions with both name brands like Nike, Under Armor, The North Face, Eddie Bauer, BSN, and many more. They include items such as polos, t-shirts, hats, coats, shorts, pullovers, backpacks, wall clings, and much more. They come only in sizes that are available so your order will not be canceled. They send all items to your home address and the store is open 24/7/365. We are excited because the store will be kicking off on **April 19** and for the first month all items will be 25% off—use the code **SPIRIT21**. Another nice feature they have is you can customize your items with the church or school logo. They offer other customizations as well. You can go online to the website through our Church and School website starting April 19. We will also be emailing a link to all of our families.

4. **TIME CHANGE:** Please note that this year's Entertainment Night on May 6 will start at 6:00 p.m. and not 6:30 p.m.

5. Last month the sign up for next year's Choice program opened up. If you are already in this program please look into renewing your child(ren) for next school year. If you are interested in enrolling in this program or just getting additional information, please get in touch with Mr. Stoltz and he can give you more information as to how to enroll in this program. This will be the last year that all students are eligible. After the 2022-2023 year only K4, K5, and 1st grade students will be eligible. If you qualify the school receives \$8200 per child.

***School Registration for 2022-2023 opened March 1. To register please go to [crownoflifehubertus.com](http://crownoflifehubertus.com). Go to “School” at the top of the page and then “Enrollment” in the drop down menu.***

## Church Singing

**Thank you** to all the students for the beautiful songs which were sung in church during Lent. How glorious to sing praises to our now risen Lord.
