A few items...

1. The Snack Shack will be closed this Thursday and Friday because the 6-8th grade will be on their field trip to Minnesota. Please make sure you send an extra snack with your child on those days.

2. We have exciting news when it comes to our Spirit Wear. We will be switching companies to the Sideline Store. Sideline Store has all the latest fashions with both name brands like Nike, Under Armor, The North Face, Eddie Bauer, BSN, and many more. They include items such as polos, t-shirts, hats, coats, shorts, pullovers, backpacks, wall clings, and much more. They come only in sizes that are available so your order will not be canceled. They send all items to your home address and the store is open 24/7/365. We are excited because the store will be kicking off on **April 19** and for the first month all items will be 25% off—use the code **SPIRIT21**. Another nice feature they have is you can customize your items with the church or school logo. They offer other customizations as well. You can go online to the website through our Church and School website starting April 19. We will also be emailing a link to all of our families.

3. **TIME CHANGE:** Please note that this year's Entertainment Night on **May 6** will start at 6:00 p.m. and not 6:30 p.m.

## T&F is Underway!

Our PE unit in Track and Field is a very short unit and is now underway. Outdoor instruction will take place whenever possible so students should have good athletic play shoes for outdoor play on PE days. For the 5th – 8th graders the unit culminates in participation in the KML grade school T&F meet on **Wednesday, May 11**. Informational letters were given to all 5th – 8th graders last week. Please return the 2nd page of this letter asap. Additional training will take place after school from 3:30 – 4:30 starting today, **Monday, April 25**. Students are encouraged to attend as many after school sessions as they can. Additional coaching assistance would make these sessions more beneficial. Contact Belinda Matter with any questions, comments or concerns or if you have an interest in helping coach Track & Field this season. Happy running, throwing and jumping!

## Track Coaches Wanted

Additional help for the next two weeks from 3:30 – 4:30 during track & field practice would greatly benefit the program. With the numerous events available in this sport, a stations practice approach would help our athletes gain more understanding quicker. Contact Belinda Matter if you can help any day of the week. Thanks.

## Third-Fourth Grade News

Crazy! It's the last week of April. Time has been going fast with everything going on. This week, Bible study continues with the lessons of the Shunammite woman and Naaman. Memory treasures are John 14:19, Hymn 441:1, and 1 Timothy 2:3-4. Spelling is back with the test for List 26 being on **Thursday**. In reading and writing, all students will continue creating a book of poems, with the fourth graders doing all of theirs electronically. Definitely lots on which to keep focused. No summer slide yet!!

Book orders are still open. Please have all orders in by Wednesday. If ordering online, use the classroom code GLJD4. Points earned go to the purchase of items for the library as well as the classroom store.

**May 23** is our class field trip. The students will be experiencing a one-room schoolhouse from the 1880's at the Stony School in Fredonia (about a 35 minute drive). After eating lunch there, the students will hopefully have weather conducive to some miniature golfing or playing at a park. Details will be given with the permission form. Please watch for it.
