A few items:

Papa Murphy's fundraiser is going great. Please keep in mind the fundraiser ends on May 26.

This last weekend Crown of Life received a teacher through the Assignment Committee at Martin Luther College. We welcome Mrs. Hannah Foelske to our teaching staff. Hannah will be teaching 5th and 6th grade next year. She has already taught one year in St. James, Minnesota. We will be moving her to the area in July. More information on Mrs. Foelske will be coming next week.

We will be doing a tailgate party on **Friday, May 27**. The event will start at noon. This is an optional activity. This is a "Bring Your Own Everything" event. The cars involved will be parked around the outside of the parking lot. This is a tailgate event so bring your tailgate games/activities. If you are not staying for this activity, please park in the middle of the lower parking lot for normal dismissal. Once all the students are dismissed the picnic will begin.

Did you enjoy "Willy Wonka?" Why not join KML for theatre camp? Two sessions are held **June 13-17**: one for students entering grades 9-12 and one for those entering grades 5-8. These camps are designed to give grade school and high school students more experience with various aspects of theatre, such as improvisation,

developing character, adapting to different roles, and others. No previous acting experience required. The camp will also feature a culminating performance for family and friends on the last day! Find the link for more information and registration at [www.kmlchargers.com/summer-camps](http://www.kmlchargers.com/summer-camps).

## End of School Fun Day

## Vacation Bible School

This summer our VBS Day Camp runs from **July 11-15**. Camp Philip staff has created an awesome program encouraging kids entering 4K to grade 6 to grow in their faith and defend it called Faith Ninjas. It will be a week full for fun activities, games, friendships, snacks and most importantly God's Word! Information is available on the table near the office or on our website. Online registration is available.

## VBS Volunteers

Students entering 7th grade or older as well as parents are encouraged to consider volunteering to help with our VBS program July 11-15. We will need volunteers to lead each "cabin" of campers (this includes taking them from activity to activity and eating lunch with them), assist with snacks, take photos and support the staff that Camp Philip supplies. See the Signup Genius link or contact Mrs. Grivno for more information.

## COL Track and Field Does Well

There were many fine performances at last Wednesday's grade school Track and Field Meet hosted by KML for the 14 federated grade schools. The 5th and 6th grade girls scored 29 points for a 6th place finish. The 7th and 8th grade girls scored 54 points for a 4th place finish, only one point away from third. COL had four 1st place finishes. Ava Stolzman scored the most points at the meet earning two of the first places in the 400m and 800m runs. Taylor Rickaby's long jump 1<sup>st</sup> place and the 4x100m relay (Ava S. Hayley Shada, Jayden Schmidt and Izzie Strohm) not only took 1st place but also set new school records and qualified to compete again at state this Saturday. Four additional events qualified for state competition: Hayley Shada's 1600 and 800m and Jayden Schmidt in the 200m were also new school records. Taylor Rickaby is also competing at state in the 800. She also set a new school record in the triple jump. In addition to these overall records 9 new grade records were set. Complete results can be seen by the gymnasium bulletin board. Thanks to all for your hard work this season. It's never too early to set your goals for next season.
