From Principal Stoltz

September 11, 2001, is a date that will be forever remembered because of the bombings of the World Trade Center, the Pentagon, and the crash of Flight 93. The people of our nation were stunned and enraged by the tragedy, then determined to punish those responsible.

In all, approximately 3,000 people lost their lives. Most were Americans, but people from about 60 other countries also perished. In memory of those who died and the heroes who tried to save them, President George W. Bush designated September 11 as Patriot Day. The observance was signed into public record on December 18, 2001.

Flags at public buildings and businesses fly at half-staff on that day, and people are urged to observe a moment of silence. On September 11, we also remember the survivors of the attacks and those who lost family members, friends, and co-workers.

At Crown of Life please take the time to observe the flag that is flown for the month of September. The flag is different from the normal Stars and Stripes. This special flag has the names of every victim lost in the 9/11 tragedy.

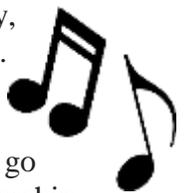

The faith of many was tested and strengthened. Remember what the Lord has given us and how quickly it can be lost or how often it goes unappreciated. To God be the Glory.
