When Parents and Teachers Team Up, Children Achieve More

Each year at a Fourth of July Schultz's Reunion, huge horses are hooked up to a sled to test their muscle and mettle in the "horse pull". Weights are added until each horse reaches its limit. A recent duel came down to two horses, each of which succeeded in pulling 4,500 pounds. Then an old farmer suggested that they be hitched up together to see how much they could pull. It seemed logical that 9,000 pounds would be the limit-but as a team the horses hauled an amazing 12,000 pounds!

Like the horses, parents and teachers can achieve more for children when they work together than when they work separately. Parents know more about their children than teachers ever will. And teachers know more about developmental stages and learning processes than parents. By combining their knowledge and expertise, parents and teachers can give children a better chance at success.

This same principle can be applied to worship attendance. The more people that worship together the more we are encouraged by those that worship with us. I am very encouraged by those students I see in church every Sunday. I feel the more students and parents that I see, the more encouragement we all receive by worshipping together in God's House. What a gift that is.

Grandparents' Day

Grandparents Day is Friday; Crown is so excited to welcome all of our guests. After a morning with chapel and visiting the classrooms, everyone who signed up will enjoy a lunch provided by Texas Roadhouse.

This includes the students who picked either Texas Roadhouse meat, hotdogs, or to bring their own lunch.

Dessert is also served, so please check the sign up genius link. There are a few areas needing volunteers. Please check out the link to see where you might be able to help.

Thanks for the CC Help

Thanks to all who helped with our 8th COL Colts CC Invite. Twenty schools were in attendance with 350 participants in the races and 75+ in the fun run. Many compliments and thanks have been sent our way for providing this opportunity for their schools. Some even indicate that it's their favorite race of the season. It's a team effort to ensure that it's successful. Many thanks to the entire "team".

Great Times at Colts Invite

Twenty-four Colts ran in the COL Colts CC Invite last Wednesday. Varsity girls finished in 2nd of 4 teams, JV Girls were 3rd of 12 teams and JV boys finished 8th of 16 teams. Four returning runners ran to their personal best times with improvements ranging from 1 second to over 2 minutes. Fifteen returning runners ran their fastest course time on our home course. These course PR's ranged from 1 second to over 4 minutes. Special congratulations to 8th grader Jayden Schmidt for having conquered the course for 6 consecutive years and finishing this year stronger than ever earning a 9th place finish medal. Special thanks also to Kim Nirschl for agreeing to run in the varsity race so we could score as a team of

four runners. Kim was one of the four to set a new personal best by 46 seconds. Medals were awarded to the top 10 finishers in each race. Besides Jayden, Hayley and Violet earned 4th place finish medals and Hope took home a 6th place medal. Way to run COLTS! Be strong this week at the Timbercat Invite at Living Word HS in Jackson. (Athletic.net is the place to see all of our school records and previous times and results from meets.)

CC Teams Travel to Jackson

Participants in the Wednesday, September 21, meet will be dismissed at 2:45 p.m. to travel to Living Word High School in Jackson for the Timbercat CC Invite. This is a 1.5 mile course with race times as follows: 4:15 p.m. JV Girls; 4:35 p.m. JV Boys; 4:55 p.m. Varsity Girls; 5:35 p.m. Awards (1st place team trophies and top 10 finisher medals). BUG SPRAY is highly recommended as this race makes use of quite a bit of "back country" trails. Contributions for refueling following the race would be greatly appreciated. Let Mrs. Matter know if you'd like to contribute. CHEERS HELP THE RUNNES GO FASTER! Come cheer them on!

5K-First Grade News

This week our Bible lesson are about Jesus being baptized and when Jesus said no to sin and the Devil

We are excited to start Show and Tell this week. Students may bring in one item any day of the week to share with the class.

From now on every Friday students may bring one of their stuffed animals to read and rest with during our afternoon rest time.

We are looking forward to Grandparents' Day this week.

Second-Third Grade News

We are excited to see grandparents at school this Friday. We hope to finish a couple new art projects to display for their visit.

Since chapel offering envelopes aren't being sent home each week, students can bring their offering and get an envelope in the classroom on days we have chapel.

Fourth Grade News

Besides getting ready for visitors on Friday, the 4th graders will continue growing wiser together. In grammar, the students will start a lapbook by adding four parts of speech: noun, verb, adjective, and adverb. For writing, the students will be revising and editing their 3-point expository paragraphs. Bible study continues with the baptism and temptations of Jesus. Memory treasures for the week are Galatians 3:27, Hymn 721:1, and Mark 10:45. Spelling test on Friday again. God's blessings for another busy week!

Fifth-Sixth Grade News

This week in the classroom, students will continue to learn more about Creation in Catechism, with studying in better detail the creation of mankind. In Science this week, we have our first chapter test, which will be on Wednesday. There are no new Spelling words this week because of Grandparents' Day on Friday. Don't forget, our classroom has the privilege of singing at the 10:30 a.m. service this upcoming Sunday (9/25)! Have a great week!

Seventh-Eighth Grade News

Last week was our first full week of school and a few things happened. We had our first Spanish class on Wednesday and in reading, we read a few stories about Greek Mythology. Our school hosted the cross country meet on Wednesday at Heritage Park, and our 7-8th grade team won second place! Congratulations to all runners for an excellent race!

This week we are highlighting 8th grader Reagan Mulcahy. Reagan has gone to four different schools before attending as a new student to Crown of Life. She has two brothers and a dog named Penny. Outside of school, Reagan enjoys riding and training horses at a barn where she helps out.

Crown of Life works to educate and equip children for lives of Christian service and for eternity.
