From Principal Stoltz

A couple of things this week:

1. We are very thankful as we come to the end of the 1st Quarter that God has kept all safe and out of harm's way. We look forward to the 2nd quarter and all the challenges and growth that will continue.
2. Please look for report cards to come home on Wednesday. If you have any questions don't hesitate to contact your teacher.
3. Parent-Teacher Conferences are just around the corner. This is a mandatory meeting with your Homeroom teachers. Please keep an eye out for a sign up genius to schedule those important meetings.
4. Finally, just a reminder that shorts are no longer allowed except in the 1st and 4th quarter. However, if there are unseasonably warm days they may be allowed to change into shorts later in the day.

Church Singing

Junior Choir will be singing on November 6 in both services and then the Advent/Christmas schedule gets going. Grades 5-8 will sing Wednesday, November 30, and grades 2-4 on Wednesday, December 14. These two services are at 6:30 p.m. Then, Sunday, December 18, is the Christmas service for all students preschool to 8th grade. Grades K-8 will be leading worship in BOTH the 8:00 and 10:30 services. Preschool will be at 10:30 only. Please mark calendars!

Mission Offerings

Apache Mission

October 26--\$3.00

No School Friday, November 11

***For all school dates, please check the
school calendar at***

Athletic Meetings

Parents, please plan to attend these athletic meetings as our next sport season starts:

Cheerleading Parent Meeting

Monday, October 31, at 5:00-5:30 p.m.

Girls Basketball Parent Meeting

Tuesday, November 1, at 4:45-5:00pm

Boys Basketball Parent Meeting

Wednesday, November 2, at 4:00-4:15pm

Cross Country uniforms should be handed in to the office by Friday, November 4. Please put clean uniforms in bag labeled with your child's name.

Running Clubs First Events

It's not too late to join the running club for the WLC Warrior 5k/8k Through the Park taking place on Saturday, November 5, in Greenfield Park, the same park of the grade school cross country challenge. Great way to experience cross country and some great fellowship. The second event will be the Candy Cane 5K starting at the Germantown Library on Saturday, November 12. Come run or walk with us! TURKEY TROT anyone! Choose your own Turkey Trot and report which one you did! Send your run report to Belinda Matter.

CC Season End Celebration

The season end celebration for the CC teams will take place on Friday, November 11, at Crown of Life starting at 5:30. (If weather permits, there may be an event at 4:30 in the park for those that can make it.) Participants should RSVP via the doodle doc or directly to Coach Matter. Contact Coach Matter if you did not receive an email or the 8th Edition of the Cross Country Courier. Thanks to all that contributed in numerous ways to a spectacular season. Continue the endeavor to achieve greater fitness and learn how incredibly remarkable is the creation of the human body!

Gear Up for Cup Stacking

Speed Stacking is underway in all PE classes as preparations are being made to try to set a new world record in this year's STACK UP! event. The event will take place on Thursday, November 17. Parents and siblings are invited to help us set our own record for the most participants in our eight years of participation. The World Record is 638,503 and hasn't been broken since 2019. Our COL record stands at 126 participants. To be counted as part of the record participants must join in stacking for a minimum of 30 minutes. All classes will have the opportunity during a classroom session throughout the day. Students and guests will also have additional fun with an all-school activity in the gym at the end of the day. A final after school session will take place with celebratory activities with the cup stacking club. Come and be a part of it!

STACK UP! and STOCK UP!

As part of our STACK UP! participation let's also try to help STOCK UP! a local food pantry. Collection boxes will soon be available in the entry way to school. Any student who brings 12 of the same size (and shape) item will be entered into a drawing for a free set of speed stack cups. Please be sure to put the student's name on the grocery bag with the item. Remember the 12 items must be the same size and shape to be eligible for entry into the drawing!

Cup Stacking Club Underway

Cup Stacking Club has returned and will meet daily before school from 7:30 to 8:10 in the gymnasium. Students need parental permission to attend, so please return registration forms that were attached to last week's newsletter. It is not necessary to come every day. The registration form allows you to indicate the days you plan to attend. The Club will conclude on Thursday, November 17, with an after school celebration and stacking as part of this year's STACK UP! Let's break some records!!!!

3K-4K News

This week our students will be hearing the story of Gideon from the Bible. We will continue working on our Bible passage for the week and a new song, "Praise Ye the Lord" We will also focus on SHAPES this week. Students will be able to have hands-on activities to help them identify, sort and find shapes. In music and movement we will be reviewing a few concepts, loud/soft and side-slide!

Reminder, we will be having our parent/teacher conferences in November! Sign up on ClassTag.

5K-First Grade News

We had a fun time at our party last week playing games and making a craft. This week we are learning about Jesus' miracles of calming the storm and healing a paralyzed man.

Second and Third Grade News

This week Second and Third graders have a week off of spelling. In reading, we will be continuing our novel studies. Third grade is reading Marvin Redpost for Class President. The Second Grade is reading Flat Stanley. In our writing, we will be finishing writing our instructions. Some students will be able to illustrate their projects as well.

Fourth Grade News

The second quarter starts off with the 4th graders starting a new chapter in grammar. Compound sentences will be explored as well as the different uses of pronouns. Reading moves back to the textbook, but continues with realistic fiction. Math is concentrating on multiplication and will have a test on Friday.

Memory treasures this week are Genesis 1:1, 1 Peter 5:7, and Matthew 11:28. There will not be a hymn recited on Wednesday. It won't be long before the memory treasures switch to the parts from our Christmas service on December 18.

Thank you to all the families who helped with our fall party. There were many fun activities and the students had a great time. Thank you for everyone's generosity!

Fifth-Sixth Grade News

Welcome back and happy 2nd Quarter! A new quarter begins, which means new opportunities of learning. To start off, we have a new class president: Timmy. Gavin was our president for 1st quarter and the students voted on Timmy for the 2nd quarter. (This changes every quarter).

For Catechism this week, we take a look at how Christ is our Redeemer (Gospel) which is a continuation from our lesson from this past Tuesday where we discussed Sinner's deserve death (Law). We will be finishing Holes for the most part this week, and the Novel Projects are due next week Thursday, November 10. Here's to the 2nd Quarter!

Seventh-Eighth Grade News

Last week, we had a history test. We also continued our math studies. We started studying the nervous system, and we have started studying the law in catechism. FINALLY, WE GOT OFF SCHOOL THURSDAY AND FRIDAY!!!

Person of the Week

Our interviewee of the week is, (drumroll, please)... Mrs. Loduha. She has one dog named Ollie. She also has four kids: Sarah, Miranda, Jason, and Dylan. They have all graduated, minus Dylan, who is a junior at WLC. They all went to KML. Her hobbies are spending time with family and reading. She is a Brewer fan and a Minnesota Viking fan. When asked why she wanted to be a teacher, she said, "To see children grow in faith and knowledge of God and his creation." ALL FOR NOW!
