

THE COLTS CHRONICLE

Crown of Life Lutheran School

November 14, 2022

Principal David Stoltz

262-628-2550 ext. 212

www.crownoflifehubertus.com

From Principal Stoltz

On Sunday, December 18, we will have the School Christmas Service in the 8:00 and 10:30 a.m. services. We are asking the students to be in both services. We also do not want to have an overload of people in one service versus the other service. Because of this we are requesting that families with last names beginning in A-R try to attend the 8:00 a.m. service and families with the last names beginning in S-Z please try to attend the 10:30 a.m. service. The Preschool will be in the 10:30am service only. This is only a request not required. We felt this would even out the attendance at each service. Thank you in advance for your cooperation.

A BIG thank you to all of our parents for taking the time to meet with our teachers for parent-teacher conferences. We appreciate all the time and effort that you put into your children's education. We enjoy the partnership we have with you. Please don't hesitate at any time to get in touch with the teachers as issues, concerns, or positive things arise.

Wednesday, November 23 noon dismissal
Thursday and Friday, Nov. 24 and 25
No School

Church Singing

On Wednesday, November 30, grades 5-8 will be singing in the 6:30 p.m. service. This is the first of three evening Advent services. Grades 2-4 will sing in the third service on December 14. Sunday, December 18, is the Christmas service for all the students from preschool to eighth grades. These services are at 8:00 and 10:30 a.m. Kindergarten to 8th grade will be at **both**, and preschool will only be at 10:30 a.m. Please add these dates to calendars.

Mission Offerings

Apache Mission

November 9--\$2.50

KML Information

Mr. Ziemer from Kettle Moraine Lutheran High School will be meeting with eighth graders here on Friday, November 18, at 11:35-12:00 and bringing home an information packet. Registration for the KML Class of 2027 will take place in the KML Performing Arts Center from 6:00-8:00 p.m. on Monday, December 5 and 12.

Those students participating in Tuesday's Forensics Meet should enter through the PAC lobby entrance. There will be signs in the parking lot, but you are encouraged to park in the PAC parking lot or Student Parking lot below the PAC. There will be color-coded maps available for each participating family.

Basketball Schedule Addition

There will be an additional HOME basketball game on Friday, January 27, at 5:00 and 6:00 p.m. vs. St. John's, Lannon. It was not included on the original schedule.

Candy Cane Run Congrats!

News from the Candy Cane Run was extremely exciting as the male and female divisions were both won by two Crown of Lifers. Brady Stuck was the 1st overall runner and winner of the 5K in a time of 19:04. Hayley Shada (8th) won the female division placing 14th overall in a time of 22:46. There were 281 registered finishers. The Colts Running Club walked away with 3 additional age group medals. All club runners who participate in a Thanksgiving Run should report their involvement to Mrs. Matter. Watch for more details about our December Run! All are welcome to be part of the club! See you on the course!

SCRIP News

ThankScriping Days with mega bonuses on over 150 retailers on eCards and reloadables will take place on November 17 and 18 with a sneak peek on November 16. Check out all the great deals on the Raise Right App. Be a part of this great program that pays great dividends. Register online under Crown of Life Lutheran Church and School using enrollment code 4L1AFBC45961.

Last Week of Stack Club

This is the last week for our Before School Stack Club where stackers are enjoying the additional time to improve their stacking skills. The club's final morning session is Thursday from 7:30 to 8:15 in the gymnasium. (No Stack Club on Friday). The club will conclude with an after school stacking extravaganza session on Thursday, November 17, as the concluding activity to COL's StackUP! Day. Please register for this session using the registration form attached to this newsletter. Parents and siblings are welcome to join us for Stacking Club. Volunteer help is welcomed for the final session as well as during the day on Thursday. Contact Mrs. Matter if you are interested in helping. HAPPY STACKING!

It's STACK UP! Week

This Thursday is our 8th year attempting to set a new world record for the most people Sport Stacking around the world. The record to beat is 638,503. Currently 808,009 stackers are registered to participate. Participation requires 30 minutes of stacking! Come be a part of it at Crown of Life on Guinness World Record Day, Thursday, November 17. Please fill out a registration form if you are a guest and plan to attend. Please note that there is no session from 6:30 – 7:30 p.m. this year. This year's schedule is as follows:

8:30-9:15 5th & 6th Grade
9:30-10:15 4th Grade
10:30 Half of Preschool
11:00 Half of Preschool
11:30 -12:10 K & 1st Grades
12:30-1:15 2nd & 3rd Grades
1:30 – 2:15 7th & 8th Grades
2:20 – 3:15 All School
3:30 – 5:30 After School Session

STACK UP! Reminders

Please wear comfortable clothes for active play on Thursday. Crown of Life Apparel is strongly encouraged. The food drive ends on Thursday. A contribution of 12 same size food items gains entry into the drawing for a free set of speed stack cups. Participants are also eligible to win a 2023 Guinness Book of Records if they set a new record (personal, grade or school). New this year: Partner Stacking! Categories include grade partners, siblings, family partner or friends. Practice your partner stacking! Volunteer help needed. If you have anytime to volunteer throughout the day, please let Mrs. Matter know. Guests are encouraged to register to attend by completing the form on the back of the newsletter. After School participants should also register. All are welcome to attend! Let's set a record!

3K-4K News

Our Bible story this week will be Naomi and Ruth. We will continue working on our song "Here in the Dark" for the Christmas program coming up in December. In small group this week, we will be focusing on Science & Colors. Students will be able to use various hands-on activities to explore and learn! We will use test tubes and droppers, sensory bottles and magnets. Music time will focus on tempo and rhythm sticks. Movement will be leaping!

5K-First Grade News

The kindergartners are studying rocks in Science, They may bring some of their own special rocks from home. Please label the rocks so they can be sent home. We will be displaying our rocks after we classify them in our Rock Museum. First graders are reviewing the sounds and letters that make the (ch) sound as in much and catch.

In our Bible stories this week Jesus is teaching us about loving others. We are also working on our Christmas parts together.

Second and Third Grade News

This week Second and Third Grade are learning about different musical instruments including percussion instruments that are either struck or shaken. We are also learning some Spanish words for classroom items.

Each afternoon we will be working on portions of the Christmas Service as well. Some parts are already very familiar from years past. It is such a joy to share Jesus together in that special service.

As the weather gets colder, please encourage your students to have hats and mittens or gloves. The wind can get cold on the playground especially if the sun isn't out.

Fourth Grade News

Thank you to all the families for coming to parent teacher conferences. It was great to touch base and continue forward in this partnership of growing wiser together in Christ.

This week, the students study Bible lessons taken from Jesus' Sermon on the Mount. Memory treasures come from the Christmas service on page four. For Tuesday, it is the Psalm 119 section and on Friday, "Suddenly, a great company..." from Luke 2.

In math, long multiplication continues and so should the practice of the basic multiplication facts. Get out the flashcards, fill in blank multiplication tables, take a deck of cards and play "War" with multiplication. Plus there are numerous websites with multiplication games. Practice, practice, and then practice even more!

Fifth-Sixth Grade News

Welcome to another full week ahead. As we approach the holiday seasons, remember to encourage your child to stay focused, especially to those involved in basketball or cheerleading or any extra curriculums. This week in Catechism, we finish off our study on the 2nd Article with Christ's Second Coming. On Thursday, we will have a Catechism test on the 10 lessons about the 2nd Article. In Science, we are continuing our study on genetics, where we study more about DNA and inherited traits. In history, we will have a test on the Industrial Age on Tuesday.

For those that signed up to help with the Thanksgiving Party, please look for an email early this week. Have a great week!

Seventh-Eighth Grade News

Last week was quite an exciting week. On Wednesday, we took a trip to watch the Milwaukee Admirals hockey game against the Chicago Wolves. With our day off on Friday and our trip on Wednesday, it was a shorter week, but was still busy. We had a science test, a math test, and a spelling test to take, and Catechism quizzes on the 1st Article of the Apostles' Creed. We started going through the Christmas service and are already working on memorizing our parts. We read to our Kindergarten reading buddies about fall and talked to them about Thanksgiving. We are looking forward to more excitement after our three day weekend.

Person of the Week

This week we've interviewed our beloved piano teacher, Mrs. Hubert. Mrs. Hubert loves playing piano and has been playing for 30 years now. She has been teaching her four kids to play piano as well as those of us who take lessons. Mrs. Hubert loves reading, going on walks with her kids, baking for her family, playing games with them, and watching the Green Bay Packers. She wants to eventually learn handbells and join the adult handbell choir.

by Ava Herman

Crown of Life works to educate and equip children for lives of Christian service and for eternity.
